TO ALL STUDENTS:

A very heartfelt thank you to all our terrific NC students who helped make Campus Days this year a great success. With your help we were able to expose 701 off campus guests to Northwest College and the ministry of Rich Wilkerson, Rick Enloe, and Michele Pillar.

One youth pastor wrote back and said, "I want to thank you for the best Campus Days I have been able to take my kids to in five years. The spiritual climate was mature and our kids were ministered to. I brought home a very different group than I took up. And I can say that I can advise those that are college bound to go to NC."

Thanks again for your great help!

— Bob Foster & the College Relations Office

The College/Career Fellowship of Neighborhood Church, Bellevue is in need of one or two persons to drive the church van on Sunday and Wednesday nights to pick up Northwest College students who need transportation to and from church. If you are looking for a ministry to be involved in, Children's Ministries need some drivers. You must be 21 years old; have a valid Washington State drivers licence; and have an intermediate endorsement. We really need some drivers so we can go and minister to the needs of the "little ones." Please see Kelli Dunker in Perks 516 if you are interested. Thank you. — Kelli Dunker
