SUMMER MINISTRY TEAMS FOR 1991

It's time to begin the selection process for our Summer Ministry Teams for the summer of 1991. Summer Ministry Team travel is one of the most wonderful experiences an N.C. student can have. Each year the College sends out four teams (3-5 members each) to travel for ten weeks somewhere in the Northwest Region to minister in youth camps and churches. They not only minister the gospel in music, drama, and preaching, but they have opportunity to interest other young people in becoming students at Northwest College.

We are looking for students with a heart for ministry who have talent that they would like to use for God's purposes. Scholarships are available for next year's tuition for all Summer Ministry Team participants.

SMT Interviews

Every individual who is interested in traveling on a Summer Ministry Team during the summer of 1991 needs to come to the receptionist's desk in the Administration Building to pick up a Summer Ministry Team Application form and sign up for an interview time with Bob Foster, the Assistant to the President for College Relations. Interviews will be held in his office during the afternoons of December 10, 11, and 12. Application forms must be filled out and returned to the College Relations Office by noon of December 6. Members of teams that are already organized still need to interview individually. Be sure all your team members sign up and fill out an application individually. Summer Ministry Team auditions and team interviews will be held on Tuesday and Thursday evening January 29 and 31, 1991.

Thank's for considering this wonderful ministry opportunity. **If you have any questions, please contact the College Relations Office at Extension 211.**

ACADEMIC INDEX ON INFOTRAC TO STAY FOR REMAINDER OF ACADEMIC YEAR !!!

THANK YOU to the 58 students who took the time to fill out InfoTrac evaluations. You told us you loved using InfoTrac and wanted it to stay. You told us it saved you an average of 30 minutes searching for periodical articles, taking you 8 rather than 38 minutes per session. Now, because of an agreement that includes a substantial savings over regular prices, we will be keeping Academic Index on InfoTrac for the remainder of the school year (through May). Ask the librarian for any further information about ACADEMIC INDEX on INFOTRAC.

CLEP CLEP CLEP CLEP CLEP CLEP CLEP CLEP CLEP CLEP CLEP CLEP CLEP CLEP CLEP CLEP

There has been a change of policy regarding CLEP credits effective with our new 1990-92 college catalog. "All credits earned through CLEP must be completed prior to the start of the junior year. Transfer students entering with junior standing will be allowed one semester to earn CLEP credits." There will be some flexibility in the application of this new guideline for the first year, and exceptions will be granted as needed to seniors who entered NC under a different catalog. If you have questions . . . please feel free to stop by the Office of Admissions and Records.

ATTENTION: The bookstore will be closed on December 12th due to inventory.
