**NEED MONEY?** Many new scholarship applications have arrived in the Financial Planning Office. Scholarship applications are available in the two notebooks located across the hall from the Financial Planning Office in the Administration Building. Most scholarships are for the academic year 1996-97 and the deadlines are coming up. Eligibility is based on a number of factors such as age, field of study, ethnic background, professional goals, etc. Don't miss out on your chance to pay for your education without the hassle of a large loan debt.
