# Gather the Sheaves.

Harvester, Harvester, Gather thy sheaves  
The Master is coming this way;  
My heart o'er its folly and Idleness grieves,  
And hours it has squandered away.

Harvester, harvester, faithful to God,  
Go seek by the wayside and find  
The wheat that has grain mid the brambles that nod,  
The wheat for the sheaves you would bind.

Harvester, Harvester, loiter no more,  
But think what the Master would say;  
Go gather the sheaves till the harvest is o'er;  
Go work with the reapers to-day.

Gather, gather, gather the sheaves,  
Bound in the harvest by thee;  
O soul, if thy hand hath plucked nothing but leaves,  
O what shall the recompense be??????

For the earth bringeth forth fruit of herself; first the blade, then the ear, after that the full corn in the ear. But when the fruit is brought forth, immediately he putteth in the sickle, because the harvest is come.

Therefore said he unto them, The harvest truly is great, but the labourers are few: pray ye therefore the Lord of the harvest, that he would send forth labourers unto his harvest.

Go your ways: behold, I send you forth as lambs among wolves.

Dear Seniors:

The months have passed swiftly since we bade one another farewell, and it is with real eagerness that we are anticipating the coming of September 30 when associations will be renewed and we shall have the privilege of welcoming our former -- students, as well as the new ones, back to the great family of Northwest Bible School.

The office informs me that our applications this year are running approximately double those of last year on this same date. From all appearances we are going to have the largest student body in the history of N.B.I. and a very interesting one. A large number of these will be G.I.s. In addition to this we have a student already here from the Island of Jamaica, and it is possible that several will be present from the Scandinavian countries, which in addition to our Canadian friends will make this a truly international School.

Since June 1st. it has been my privilege to work with Rev. Ness in the capacity of Associate Pastor of Hollywood Temple in acceptance of an invitation from the church. In addition to preaching frequently my work includes three radio broadcasts weekly, the editing of a weekly mimeographed bulletin, and the Gospel Visitor which is our monthly church paper.

As you may have heard, Rev. Ness has accepted an invitation from the National Committee of three which is conducting Bible conferences amongst statesmen in European capitols for the express purpose of appealing to leaders of nations to repent and turn to God as the way out of the chaotic condition in which the world finds itself in this hour.

This is the first time that an Assemblies of God minister has had such a marvelous opportunity of witnessing before the royal families of Europe, as well as their governors, and we should earnestly pray God's blessing upon him. Before he returns which he expects will be around October 1st, he will have visited England, Norway, Sweden, Denmark, Holland, Germany, Belgium, France, Switzerland, and Italy.

Rev. Ness left Seattle July 28th. flying to New York, from thence to Oslo, and in the meantime with the full responsibility of Hollywood Temple's services and various activities dependent upon me, I am finding that the days pass quickly, and already I am looking forward to the time when we will be joined by our happy N.B.I. family. I hope that when the bell rings not one of you will be missing.

Yours for the biggest and most blessed year in N.B.I.

Dear Seniors:

Although there has been a lot of activity during the summer I have been lonesome without you and will be so glad when you get back here ready to begin the fall semester.

The indications are we are going to have a large enrollment again, perhaps much larger than ever, but I will be most delighted to see the familiar faces of those who have been here before. A few more months of preparation and you will be off to the ripened harvest fields, and I trust and pray that you will make the best of the opportunity before you to get ready for the work that lies ahead. The

responsibility is great and the need for preparation is also great.

Looking forward with happy anticipation to seeing you on or before October 1st, and praying God's richest blessing you, I am

Your brother,

Dear Harvesters:

Greeting in the name of our Savior !

My how homesick the letters that have been coming in from the various students and prospective students have made me for the opening day of the 1946-47 year of Northwest Bible institute. It would seem that the sixth opening of school for me would be rather "common-place", but no. I was just thinking today as I was writing letters that I did not believe there would be a single Freshman any more excited about the opening of school than "Yours Truly". They may be a little more fearful as to what the year may bring forth, but I am sure they will be no more thrilled than I will be.

The opening of school will doubtless make the majority of you feel a little solemn as it will begin your final year in school. However, it has not been long since the Reapers started their final year; so let me assure you that I believe when you have completed it, you will vote it to be your very best and most interesting year.

You will be happy to know that you will have reinforcements added to you class. Lois Colley, Harris Lidstrand, Benjamin Dickman and Lola Mae Fuller will be Senior with you this term.

May God richly bless each one of you !

Sincerely in Christ,  
Dorothy Sonnicksen.

P.S. I trust that when the Senior Roll is completely made out, that each morning Numbers 1-90 will respond in a perfect roll call.

Our Hearts have been saddened by the sudden death of our brother and classmate , EMIL WILL. On July , 1946, God called him home. Often we have thought of the words of one of our teachers, "It is not how LONG we live, but how well we live." Emil lived For Jesus and his life was dedicated to God's service. The Last Sunday he spent on earth, he preached at three different services in North Dakota. Every Harvester will miss his presence in the classroom this fall but we know our Heavenly Father "doeth all things well," and surely it was His will to call Emil home. As a class we express our sympathy to the family and loved ones who remain but we would encourage them with the words of Jesus---"I AM THE RESURRECTION AND THE LIFE: HE THAT BELIEVETH IN ME, THOUGH HE WERE DEAD, YET SHALL HE LIVE: AND WHOSOEVER LIVETH AND BELIEVETH IN ME SHALL NEVER DIE. (John 11:25,26)

#### THE GARDENER

I walked in a Garden of Roses,  
And Flowers ever so sweet,  
With colors, all of the rainbow,  
A beautiful sight to greet.

I saw a Hand pluck a lily,  
A flower from here and there,  
And as He stooped to pluck them,  
He used such tender care.

I Could not forbid the plucking,  
As He seemed to reach for more.  
I saw the Lillies and Roses,  
Go up through an open door.

It was the hand of the Master,  
As He took a flower with care,  
For a greater use in Heaven,  
To be used for Him, up there.

Plucked for the Savior's wedding  
And for His Bride to be,  
Plucked for Life Eternal,  
For a King and Priest, Said He.

If He should visist your loved ones  
And pluck a flower so fair,  
Remember, He is the Gardener  
And He has planted them there.

Dear Classmates;

The summer has surely rolled along with such speed that it reminded me of John Glover in a --- gets to the end too fast.

It has been an enjoyable summer working for the Lord at N. E. Chapel, also a very hard one. The Lord has blessed and by faith we are looking for a real outpouring of the Spirit of God.

I have much to leap for joy about God has wonderfully

supplied my natural needs and best of all the Spiritual.

We have no reason to look sad, for what God has done is certainly worth making a noise about.

The Lord has given us a place to buy , furniture, clothing and food we needed--(did not the Lord say, he would supply all our needs?) Also health for the entire family which we thank the Lord for.

Our little girl, (Nancie Marie) certainly is an active baby---and has a good pair of lungs---

I am also waiting for the opening of school where we will spend our last year together studying the word of God---then to leave, perhaps never to meet on this earth again. SO LET'S MAKE IT AN ENJOYABLE ONE.

Let none of us do this-- Lord has begun he will him--even finish school.

Coming to school

With sorrowful hearts, we will see an empty chair in our class which our beloved classmate EMIL WILL would have filled. We know one thing, that he has been called to a higher position.

I am working at the Veterans Administration for this summer and I do thank the Lord for the privileges I have of telling other young people here in the office about Him and also about N.B.I.. I am also helping in the Sunday School at the Beacon Light Mission, teaching a class of Primary boys and girls.

I am very anxiously looking forward to seeing each Harvester back at N.B.I. this fall, so until then, may the Lord bless each one of you.

Word from Packwood, Wash.

We had D.V.B.S. in Yakima. We had an average attendance of 204. I drove the bus to pick up children; I hauled about 60 children on a 35 passenger bus. Try it sometime and see how you feel at the end of the day. Besides that I worked in the office and told stories in the different departments. We had a real good school and many were saved.

I worked in Children Church and the Caffeteria at Camp Meeting, now D.V.B.S. at Packwood. We are beginning our second week here. A number have already been saved and we are expecting the Lord to really work at the program Thursday night.

From here I am going to Girls Camp and then to Paulsbo for D.V.B.S. This isn't half of what has happened but I guess I had better stop so there will be room for the other letters.

In Closing I will say the Lord is certainly good to us and I know that without Him I could do nothing. I'm glad my trust is in a living God. Praise the Lord.

POST FALLS, IDAHO;

We have been having wonderful meetings over here at the little Pleasant view Church and some nights we don't have any preaching until everyone is ready to go home. It sure wonderful to let the Lord have controll of the meeting and work in the hearts of the people. I am not doing anything in particular at present. Sometimes I show flash card stories in Children's Church on Sunday mornings. I don't know for sure if I'll hold D.V.B.S. but I will the last two weeks of vacation.

THE Lord has certainly been near and precious this summer. . He has been wonderful to me. We have been very busy on our ranch here near Kittitas and also very busy in the Lord's work. I am Y.P.'s leader and substitute teacher for any class whose teacher is absent.

We were priviledged to have a week's D.V.B.S. WITH Sis. Velma Spencer. I taught the primary class. The Lord richly added His blessing. We are now on our way to the Camp Meeting at Brooks, Oregon and I praise the Lord for the opportunity to go.

May the Lord bless each one of you and bring you back to N.B.I. next fall.

SEATTLE.

Greetings in the precious name of Him who has redeemed us and gave his life that we might have life eternal, the most wonderful name of Jesus.

As these summer months draw rapidly to a close, I am found still here in Seattle, laboring wherever and doing what ever time and opportunity permits always, happy to say a few words for our Lord and Saviour Jesus.

Hoping this finds you all well and anxiously waiting as I am for October 1st, when the doors of N.B.I. will again swing open to admit a bunch of noisy seniors. Looking forward to seeing you all then. The grace of our Lord Jesus Christ be with you all. I remain,

SEATTLE;

In the great anticipation of writing this letter, my literary talents have suddenly forsaken me. However, because of threats hurled at me by our class president, I must go through with it.

As to my activities during vacation, I have been happy doing what I can for the Lord in West Seattle. It was also my privilege to attend the Camp Meeting at SILVER LAKE a number of times, and to receive great inspiration and spiritual encouragement from the services there.

Because this is our last year at N.B.I. it shall be a pleasure to see you "all" in school this October, and I am sure that we will again be greatly benefitted by each other as we study together in spiritual harmony and Christian fellowship.

In Christ,

DEAR CLASSMATES:

It hardly seems possible that over a month has rolled past since school was out. Virginia Conser, Evelyn Johnson, Helen Jolma, and I have been holding D.W. B.S. here in Longview. We are indeed glad for the Spirit of the Lord that was present with us.

I had the privilege of visiting and preaching in Dean Young's Church in Cathlamet recently. They have a very nice church building as well as a lovely congregation.

As far as I know now, when Camp Meeting ends I will be in White Center as Church Missionary with the PHILIPS. Pray for us there as this opening is not only a privilege, but also a challenge.

May God bless and be with you all 'till we meet again in Good Old N.B.I.

DEAR CLASSMATES:

I am working at the Sacred Heart Orphanage again this summer. Even here we see the great need of souls to find Christ. They are Catholics and are kept in darkness concerning our wonderful salvation. Our aim is to so lift up Christ that they may desire Him. I also have a Sunday School class at the Mission on Sunday afternoon. Friday night a group of the students carry on the work at the Mission. We enjoy the blessing of the Lord even though there is only a few.

Camp meeting has been a blessing to me. I go every night I can. I'm looking forward to another year at good Old N.B.I. and hope to see each of you there.

SALUDOS EN CRISTO, NUESTRO SENOR Y SALVADOR !

I had my first experience at teaching boys in Tacoma. I never had to use my imagination so much before in my life as I did those five days. I had to keep them busy every minute or they would play roller coaster with the chairs or run out on me. They almost had wrestling matches right in the classroom. I also spent two weeks in Malone teaching in D.V.B.S. we had an average of 45 for the two weeks. I had eight and sometimes ten little boys and girls in my class; it was certainly a good little class. Then I had charge of the program at the end of the school. All in all it was a wonderful two weeks. We had 5 teachers and 4 classes--Beginners, Primaries, and the Juniors and Intermediates.

Since I came back to Seattle I have been surprised with news of several things that have happened since I was gone. It was a sad surprise to hear of Emil's death, but the Lord understands all things and knows what is best for each of us.

The Lord willing I expect to be working here in Seattle the rest of the summer and help out at Northeast Chapel in the Sunday School. May the Lord bless you all.

We will soon have to be canvassing for Daily Vacation Bible School. Pray with us that boys and girls will be touched and take a definite stand for the Lord.

N.B.I. is my goal for this fall, as the Lord leads and provides the way. I surely will be glad to be back fellowshipping with the students again. May God's blessing rest on all the students as they labour in different places for the

Well here I am, you lucky people ! I didn't get my two-cents worth in last year so will try to do my part now.

Immediately after school closed I started teaching D.V.B.S. at Bellevue for two weeks, then two more weeks of it at Brighton and now have started the second week at Packwood. I always manage to get the Primary or Beginner class to teach, perhaps they are the hardest classes to teach but I'm enjoying it, in spite of everything. The Lord has been good to us and has blessed in all of our D.V.B.S. work.

From here I plan to go to the Yakima Valley (probably Wapato) and work. Large Bethune (whoops, Enloe) and I visited over there for a few days. We had a grand time and were kept busy and well entertained with weeeenie Roasts, picnics and all sorts of things. Well, so much for that.

Right now Evie and I are getting a real workout here at Packwood, teaching preaching and trying to sing. All in All we're having a wonderful time but of course we miss you Harvesters and will be anxiously watching for you at N.B.I. this fall.

I can report Victory in Jesus. I'm still shouting Glory !  
I haven't been doing much so far this summer. The 30th. of June, I went to  
camp meeting, in our state---St. Helena. Was it warm--yew ! There were around  
two thousand people.

I have to preach, one of these sunday nights at the Assemblies of God in Menlo  
Park, California for Pastor Fletcher. They also asked me to take part in the  
service in the Monavista, California Assemblies of God. My oldest sister and  
Mena are pastoring a church in Rio Del, California. They asked me to preach  
before I leave for Seattle.

About ten more weeks of summer and we will be getting ready for school. My  
prayer is this for our last year of as Seniors--that the Lord will pour out a  
blessing upon us. I feel this is going to be the best year in all three years  
we have gone to school. The main thing is, let us look ahead, and let us not  
loose the vision for lost souls.

Dear Classmates:

I am happy to say I too have had the privilege of working for the Lord this  
summer. From the 15th to the 21st of June, I helped in D.V.B.S. at Medical  
Lake where Rev. Kenneth Gregg is pastoring. The attendance was not large in  
that this year is the first that the Assemblies have had their school apart from  
the community church. However the Lord truly blessed our efforts.

During the First two weeks of July I attended Camp meeting at Silver lake where  
I received a great blessing working in the Cafeteria as well as from the services.  
I am anxiously looking forward to another wonderful school year at N.B.I. Also  
to see each one again.

SEATTLE:

I hope it isn't too late to get my little say so in . I forgot all about it  
until this afternoon. You would almost think I have been busy. To tell you the  
truth I have been pretty busy. I'm working this summer and trying to hold the  
fort at N.B.I. while the rest of the kids are home. On Sundays I am kept busy  
Supervising the Beginners Dept. at Hollywood Temple and also my Sunday School  
Class. My Motto is "GET THE CHILDREN SAVED BEFORE THEY GET INTO THE DEPTHS OF  
SIN," so they can spend their whole life for Christ.

Like the rest of you I am anxious for our Senior Year to begin . Already I have  
met two new members that will be in our class so it is still growing.

GLENN ULLIN, N. DAK.

Greetings in the Name of our Wonderful Lord Jesus Christ. When we left N.B.I. we had not thought where we would end up. But we had a desire in our hearts to go to Ashley, North Dakota to the German assembly of God Conference. It was there the Lord led us to accept the call of two churches. One is in Glen Ullin and the other is a country church in Blue Grass. We have learned to love our people and the Lord is blessing His Word. It is truly marvelous how the Lord helps. I have my Sunday School lesson and not less than three sermons a week besides our D.V.B.S. The Lord has really blessed us and given me a new sermon every time for which we praise Him.

Please pray that the Lord will help us to get back to finish at good old N.B.I. By God's love, mercy, and grace we'll be there.

Dear Fellow Classmates.

I've really had a very interesting summer thus far. The week after school was out several of us helped in the Bellevue D.V.B.S. and we did have quite a time. I had a class of Primary boys--eight part of the time--who were really quite a good class most of the time. But I will admit there were days when I was very glad when closing time came. Part of the boys came with uncombed hair (so it looked to us), clothing dirty, and their shirt-tails hanging; but they were cute, and we did enjoy working with them. The Lord helped us mightily. The one part I shall especially remember were the times of prayer and praise we had in the car on our way out every morning. Those times gave us strength for the day.

Then, the middle of June, I helped in the D.V.B.S. at Evangel Temple. There I had a class of ten year old girls. I will say that they were quite different from my little Bellevue boys, but I enjoyed them, too.

Now, since my part in D.V.B.S. work seems to be ended for this summer. I am working in a home then after a while I am going home for a rest. I'm looking forward to seeing you all next fall in the Senior class at good old N.B.I.

During June I helped with a Daily Vacation Bible School at Depoe Bay, Oregon. After that I spent two weeks at home. At present I'm back in Seattle working and am anxiously waiting the opening of school.

I can hardly believe that it will be our last year and that next summer we will be out working in the Master's Harvest Field.

God Bless each of you

DEAR FELLOW STUDENTS:

In haste I am writing this short note to say Hello and a hearty "God Bless you".

These past eight weeks have gone by awfully slow in my estimation as I am really anxious for school to again start. The Lord gave me a wonderful position with the Railway Express Agency as an stenographer for this summer so I am kept quite busy with that job and also the various C.A. activities at Hollywood Temple. It certainly was good to see many of you at Camp Meeting, and with deep anxiety I am waiting for October 1st.

DEAR CLASSMATES:

I can report victory in my soul this far. Although I have been alone seemingly with no other young people around, yet still Jesus is there and I find peace, joy and contentment, (especially in the secret closet of prayer.)

Since the close of school I have worked some, and sang different places with my sisters, the Lord has blessed us in it. Also I have helped my father build a house trailer which we plan on taking with us to the Oregon Camp Meeting. To think of it made me use the hammer and nails all the faster. (I can do it too.) --I believe it, toooooooo.

After camp Meeting I intend to work for the Lord in some way. As far the coming school year, that all remains in the hands of the Lord. As he leads, I will follow.

I AM HELPING REV. James Mayfield in Glendive, Montana. We have felt the Lord in our meetings. I have just finished teaching Junior boys in our D.V.B.S. Sister Iva Aaker was in charge of the School. A number of the Children gave their hearts to the Lord in which we do thank the Lord. Also am speaking and teaching a boys Sunday School class. Next week I am going to the Yellowstone Bible Camp Meeting which is in Livingston. Pray for me as I work for the Lord this summer in Montana.

K ELSO , WASHINGTON.

Right after the close of school , my father, mother, and I left for Minnesota where we visited for approximately three weeks. I can praise the Lord for

some wonderful opportunities to testify to my unsaved friends and relatives back there. I then went up to Silver Lake Bible Camp with Myrtle on the fourth of July and stayed through the seventh. I surely enjoyed the blessings of the Lord there. Since that time I have been working in a lawyer's office in Kelso and helping with the radio broadcasts and other various activities of our church. The Lord has proven Himself so real through all the tests. I can never praise Him enough.

Since school closed in May I have been working for the Lord in Georgetown. Brother Bass went to Colorado for a visit and I became supply Pastor while he was away. The experience was one of great value as well as one I shall never forget. I have found that increased responsibility in the Lord's work brings with it increased blessings from Him.

I am looking forward to October 1st. when we shall gather together for another year of study and fellowship at N.B.I. May you all be there.

SEATTLE, WASHINGTON:

Greetings in the Precious Name of Jesus.

The first part of the summer, your president Ed. Jorstad, Benny Birkeland and myself went to the convention at Spokane and had a grand time with Lord. Praise His wonderful Name.

August 24, 25 and 26, the Harvester class comprised of VIOLA ADOLPH, DONA BRANDOW, DORINE BRANDOW, DONELLDA BUEL, DORMALEE BUND, ALBERT LAWERENCE AND JOHN H. KORTH, spent these days visiting Bro. and Sister Ellis at Victoria, B.C. We all came back with Nylons, (didn't we Albert?) I am happy to report there were no casualties. "THE ANGEL OF THE LORD ENCAMPETH ROUND ABOUT US."

We thank God for Bro. and Sister Ellis, they certainly are grand hosts. (They wanted to pay for everything.)

I haven't done much for the Lord this summer, but He was precious to me with His blessings. Isn't Salvation Wonderful, it is Joy unspeakable and full of Glory. Glory to God.

Anxiously awaiting the opening day of school, that I may see you all again.

Your Bro. In Him,

Wallace, Idaho;

This summer has been full of activities for the Lord. Immediately after arriving home I was given the Intermediate Sunday School Class to teach. I was also appointed Young Peoples's leader which I wasn't very anxious to be, but the Lord has helped and blessed us. For two weeks in June, Dot Falconer and I helped Dot Nelson (BJUR) in D.W.B.S. at Mullan.

We went to Camp Meeting the 4th. of July at Fruitland, Washington; while there I was asked to help in Girl's camp beginning July 15th. I was glad for another opportunity to work for the Lord. There were 130 girls at camp. I supervised a group of 16 girls in a one room Cabih. I also helped in the Story hour by telling some flash-card stories. Many girls were saved and about 30 were filled with the Holy Ghost-two, of which were from Wallace. We had a

real revival among the Children for which we praise the Lord.

Since school was out, I have been working full time at the Bible Crusaders office. I thank God for a Christian office to work in.

I now have a class of Primary girls at Evangel Temple, and it is a joy to work with them. They are all so sweet and so interested in the Lessons. It had been good to see some of you at the Camp grounds, and I've enjoyed the meetings I've been able to attend there. Truly, God is good to us. I'll be looking forward to hearing from all of you in the News.

GREETINGS IN JESUS NAME FROM LAKE CITY.

I was on my way home to Idaho, but just as I was about to depart, I was asked to stay and help build on the new church at Lake City. Well, there is a scripture that reads, "If a man compel thee to go a mile go with him two." It might be wrong to use this scripture here, because I was not compelled to stay. Nevertheless, I was asked to stay two or three days and I am still here. I had the privilege of going to convention and plan on going to the Silver Lake Camp meeting.

I will be seeing you all next year in School and so until then I will say.---

God Bless you all,

I have been kept busy working at my job at the Borgensen Fur Company, so really have not had a chance to work for the Lord.

I was privileged to attend many services at the Camp meeting this year. It was really wonderful, the messages were excellent, and there was an old fashioned Camp Meeting in my soul.

Am looking forward with great anticipation for the opening day of school this fall and hope to see every one of you then.

WALLA WALLA, WASH.

This letter finds me in Walla Walla where I have been spending my vacation working on a farm. We are now busily engaged in wheat harvest.

I have enjoyed the fellowship I have had here with the Walla Walla Assembly and the C.A. group. I believe it is one of the friendliest churches I have ever been in. If you want real fellowship and friendly people we invite you to come to Walla Walla.

I will be seeing you all this fall.

There is real joy and expectancy in my heart as I think of resuming the regular routine of school again, and yet mingled with it there is a feeling of reluctance when I realize that it will be our last year to be together. Truly only the Lord knows what the future holds for each of us, but I am confident that as we keep our hand in His we never need fear.

I have been very busy in D.V.B.S. work this summer. Two weeks were spent in Hollywood Temple prior to the Camp meeting, and last Friday marked the Closing of a two-week school for the King St. Mission. I am now looking forward to two more weeks in the Northeast Chapel. It is a real joy to work for the Lord, and the greatest desire of my heart is to be faithful to the Christ who hath redeemed me.

May the Lord bless each of you, and I trust that all of us will be on hand to enjoy another blessed year in N.B.I.

I've been helping in the church here and God has truly been blessing in the most marvelous ways. Praise His name!

I have much for which to praise God; He has truly been gracious to me. At the close of a meeting in the Friends Church in Quilciene, my Daddy lead the way to the altar, with Mother following close behind. My brother, who is 18, and

my sister 15, and another brother 15, to found Christ in a real way that Sunday morning. Eleanore McCullough was with me, and believe me, there was a shout in the camp. My Brother in the Navy, too, found Christ just prior to this. I am still praising God for such a wonderful answer to my years of praying.

Soon my name will be changed to MRS. LOYD BERRY. Most of you do not know Loyd now, but you will, for he is entering school this year.

I'm looking forward to seeing each of you and hear the reports of your labours for Christ. Keep looking up.

Sorry, but I haven't been doing much in the harvesting of souls for the Kingdom thissummer, but I am happy for the privilege. of witnessing for the Master whenever I have the opportunity, and of living a Christian life, before those with whom I work. GREELEY, CALO.

This summer, I haven't had as many opportunities to work for the Lord as Last year, because each day I expected to leave Seattle. But while at Crosby, Wash I had charge of the Jr. Dept. of D.V.B.S. and also preached and sang at the church. Since arriving in Greeley, I have had opportunity to sing for the Lord and work for him.

If John and I are able to hold meetings, I will be assissting him in various ways. Pray for us.

GREELEY, COLORADO:

Here is my entire summers history. (CAREFUL JOHN) To start with , I thought i was going to be in Colorado about two months before this, but my plans failed as you so easily can see. During my summer months in Seattle, I worked and p reached in the missions, and preached here and there in other churches. Now that I am in Colorado I can do some other type of work, for instance; the first Sunday I was here I had to teach the young peoples class at the Greeley Assembly. (without any preparation) I am going to try and hold some evangelistic meetings and if I go I will need your prayers. They tell me that I will have to, or, will be asked to preach in the Greeley church some times, and I feel like Zacheus. It took us ten days to get here, f... we had about ten blowouts and we could not get tires. We thanked the Lord for the delay, because it all worked out for His good, and our's also.

I went to help my uncle thrash grain and got the opportunity to testify to one of the men on the crew. I hope he gets saved. I have not had time to get situated here and start some type of work as yet, but give me time.

P.S.

Not Like this -----  
reading the above.

John but like this ----- is after

"I CALL TO REMEMBRANCE MY SONG IN THE NIGHT."

(Psalm 77:6)

I have read somewhere of a little bird that will never sing the melody his master wished while his cage is full of light. He learns a snatch of this, a bar of that, but never an entire song of its own until the cage is covered and the morning beams shut out.

A good many people never learn to sing until the darkling shadows fall. The fabled nightingale carols with his breast against a thorn. It was in the night the cry came, "Behold, the bridegroom cometh; go ye out to meet him."

Well, this year we will be the fellows that will be wearing  
the caps and gowns---- thus we  
can say" I have fought a good fight, I have kept  
the faith, --- then to face the open harvest fields  
with the Gospel of Christ.
