NAVIGATORS

Dear Navigators:

Greetings from sunny Europe!

This has been a busy summer but I am glad to report victory in Jesus' Name. For the past six weeks I have been in Europe where I am representing the General Council of the Assemblies of God of Springfield. While this is being written, I am in Southern Switzerland holding Bible conferences for the Pentecostal pastors of this area.

I also conducted Bible conferences and evangelistic services in Italy. The Lord blessed and many souls were saved. I attended the National Convention of the Pentecostal ministers of Italy at Naples where an organization of the Assemblies of God was formed which will be affiliated with the General Council at Springfield. This was a great victory and will mean much to the Italian people. While in Rome I had a most interesting interview with Pope Pius XII.

From Italy I went to Greece where Bible conferences and evangelistic services were held in Athens. Here again the Lord blessed to the salvation of souls and several young people became interested in coming to NBI.

No doubt, by the time this reaches you I shall be getting ready to fly home. We are looking forward to seeing you again on September 29th when another year will begin at the Northwest Bible Institute and Seminary. We have worked hard on plans for the coming year in order that we might make it the best in the history of the school. God's blessing has been upon the school from its beginning and we are assured of His continual presence and power as we steadfastly trust in Him.

May the Lord richly bless you.

Your brother in Christ,

Henry H. Ness, Principal

A LETTER FROM OUR PRESIDENT--

Time has slipped quickly by, and we find just a few short weeks left until we will be returning for our third year studies. For the most part, I think we will all be glad to get back to school.

The letters coming in from many different parts of the country have been an inspiration to me. God is certainly blessing, for which we praise His name.

I've been in Seattle all summer, except for two short trips to Portland and Spokane.

I was just noticing the cartoon of this unkempt gentleman, and wondered how many of us will be returning to school in this condition on September 29th. I don't mean physical unkempt, but rather a spiritual raggedness.

Shall we unite in prayer that God will give us a good class this coming year and most of all that His blessing shall be with us.

In explanation to some inquiries regarding our class as being the "Crusaders" class, well, er ahem! Maybe Miss Sonnichsen could explain that better than I. However, I think most everyone recognized the error in the letter as such, and didn't worry too much about our class name being changed.

The Lord gave us a gracious time during our Junior year. I firmly believe that much was accomplished in hearts that only eternity will tell.

I'm looking forward to our third year with eager anticipation, expecting God's richest blessings to be with us. Signs of the soon coming of our Lord and Saviour are evident on every hand, so let us watch and pray and labor 'till the Master comes.

Don't forget that September 29th is the opening day. I'll see you all then.

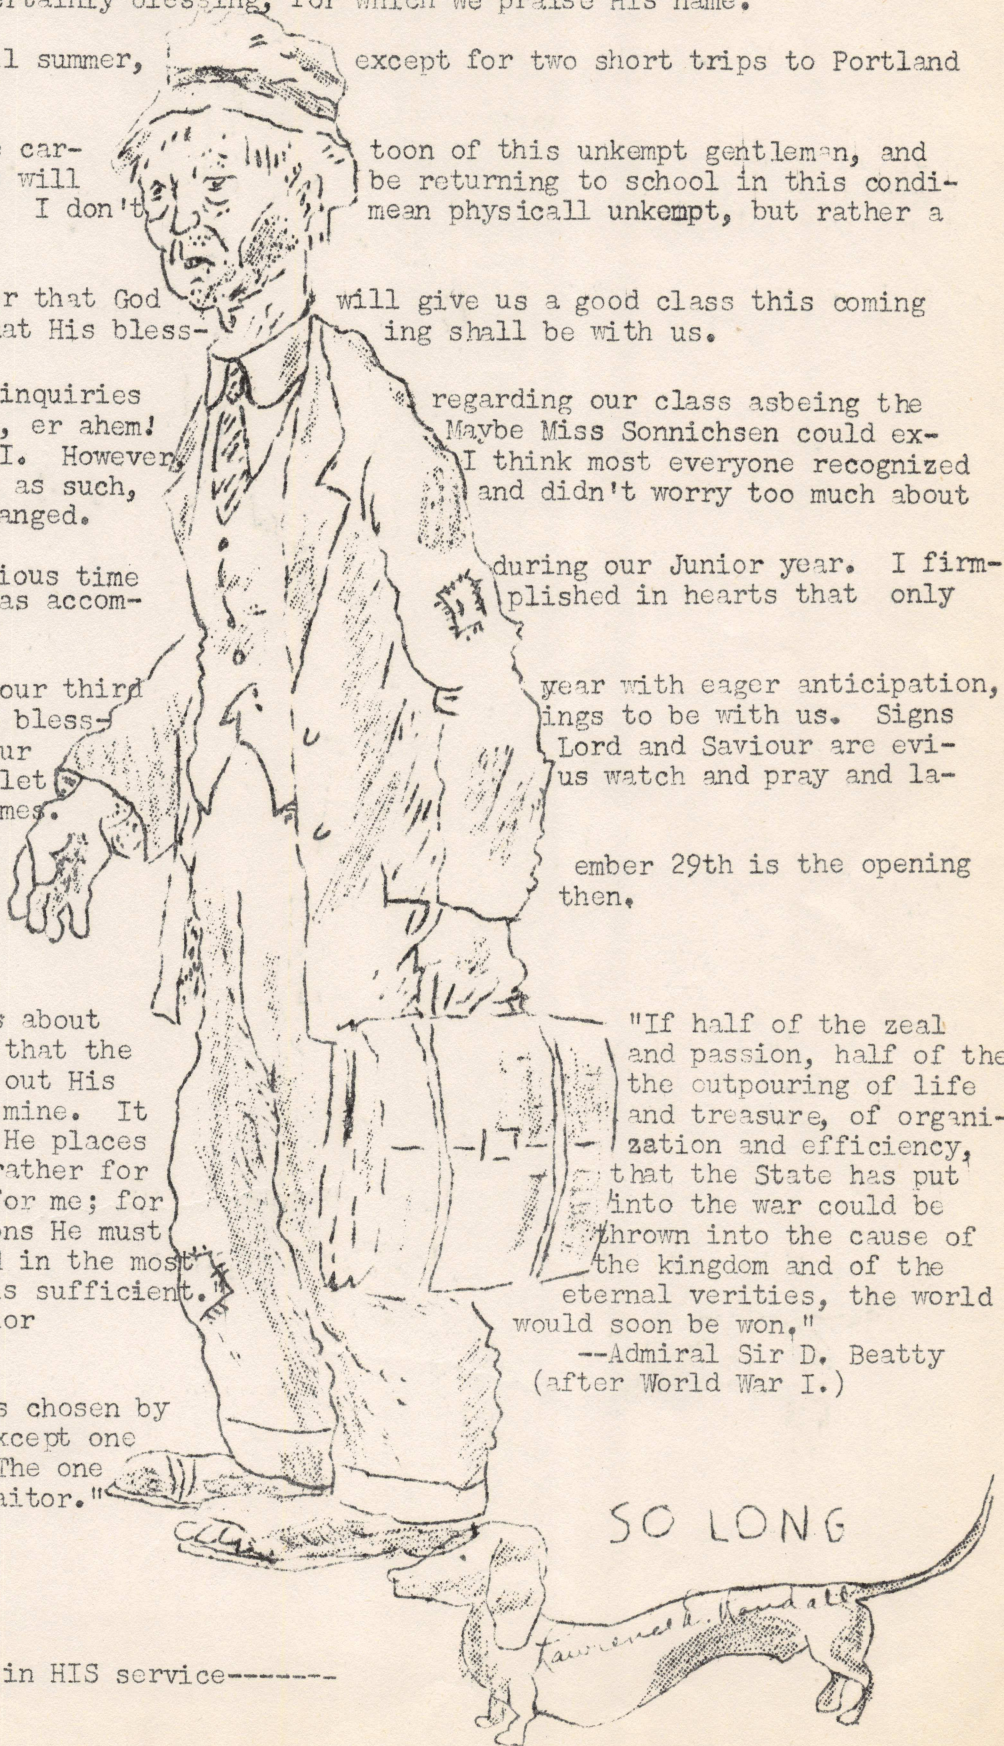

"I am no longer anxious about anything, as I realize that the Lord is able to carry out His will, and His will is mine. It makes no matter where He places me, or how. That is rather for Him to consider than for me; for in the easiest positions He must give me His grace, and in the most difficult, His grace is sufficient."
--Hudson Taylor

"If half of the zeal and passion, half of the the outpouring of life and treasure, of organization and efficiency, that the State has put into the war could be thrown into the cause of the kingdom and of the eternal verities, the world would soon be won."
--Admiral Sir D. Beatty (after World War I.)

"Of the twelve apostles chosen by Jesus, every apostle except one became a missionary. The one who didn't became a traitor."

SEATTLE, WASHINGTON

Greetings in the name of our Saviour!

God certainly has been good to me this summer, and I thank Him for it. It is wonderful to know He is always with us no matter where we are.

Nothing outstanding has happened to me (Yet) this summer, so there isn't much "news" to write about. I am still working here in this beautiful but damp city of Seattle until school starts.

I am certainly looking forward to seeing all of you here again this fall.

Yours in Christ,

Ed Anderson

--00000--

No news from MILDRED ANDERSON -- or did she just forget to stamp it???

--00000--

We hear that ALICE BARRANS is in Valley, Washington, and that she plans to be here in N.B.I. on September 29. But what happened to her letter????

--00000--

SEATTLE AGAIN REPORTING--

Greetings in Jesus' name!

I certainly have missed being in school enjoying the Christian fellowship of the students. I haven't done anything outstanding this summer, but I have had the privilege of helping in two Vacation Bible Schools.

I worked at the National Fruit Cannery for a couple of weeks, now I am working at Kress dime store.

I received a great blessing in the meetings at Silver Lake this summer. The Lord made it possible for me to help at Girls camp for a week, for which I am looking forward to.

As it looks now, I won't be able to come back in October, but I know that God can do the impossible. I would appreciate your prayers.

May the Lord bless each one of you!

Your classmate,

Francis Baster

FLASH!!! -- FROM MUKILTO, WASHINGTON

On June the 8th, I changed my name to Doris Grannis. We are still attending church at Mukilteo, where I am teaching the Junior-Intermediate girls in Sunday School. We enjoyed Camp Meeting very much and saw many of the students there. At the present we are not so sure of meeting you at school this fall.

Yours in Christ,

BEST WISHES -- Doris!

Greetings in the name of Jesus!

No news from me. I have been in Seattle all of my vacation. I am coming back for my third year.

I am doing housework for a living.

May God bless you,

SEATTLE, WASHINGTON

The Lord has certainly been good to me this summer. I was afraid that I wouldn't be able to teach D.V.B.S., but the Lord was working and I have been able to teach in two Bible Schools and continue working full time at the bakery. It was certainly wonderful to feel the Holy Spirit working in the hearts of the children.

I also praise the Lord for the spirituality of the children in the Kingston Children's Church. Three of the little girls are really filled with the Spirit and are hungry for more of God.

Last week-end I went to Ellensburg to visit Alice Bowersox, formerly Alice Miller. She kept me busy asking questions about all of you. She and her husband are now preparing for the Lord's work. Goodbye until September 29th.

We heard a rumor that LUELLA BJORK was seen in Vancouver but we didn't receive a letter from her so we can't be sure.

--00000--

ED BRADY was seen at the Silver Lake Bible Camp Meeting, and we hear that he is very faithful at Kirkland.

--00000--

MURIEL BREDA did not write in either, but we will forgive her, as she is making plans to become Mrs. Bob Sherstad on August 29. Congratulations Bob and Muriel!

--00000--

No news from CHARLOTTE BROOKS, we wonder if she is making plans too!!! We do know, however, that she is being kept busy at the present time helping out at the Silver Lake Boy's and Girl's camps. We will be listening for her shout on September 29.

SEATTLE REPORTING!

School being out, we were able to take a three weeks vacation. We visited in Ogden, Utah, at Bryce National Park, Zion National Park, and then the North rim of Grand Canyon. While in Ogden we were able to attend three days of the Utah Camp Meeting and also able to work building a new Pentecostal Church for several days. We were able to hold park services, and several people came from these services to the Church.

Arriving back in Seattle, we went into the Lord's work again teaching Bible School at Newcastle. Gayle White and Jackie Scribner were in charge of the work and Charlotte Brooks taught a class. We now teach Sunday School also, and want to work more for the Lord as He prospers us.

We look forward to the time when we can all meet once again.

COST NOT COUNTED -- An old low caste woman in India was once asked the price of a temple in the process of building. She turned to the missionary in surprise and said "Why, we don't know! No word from WALT CHASE, but we are sure that he has been busy for the Lord this summer. We know that he attended Albert Lawrence's funeral back in China Grove, North Carolina. He is back in the city now. The Lord bless you, Walt!

NEWPORT, WASHINGTON

It has been my pleasure this summer to teach a Sunday School class here in Newport, Wash., The Lord has richly blessed our little Assembly lately, and new souls have been won for the Lord.

I have been employed by the Inland Empire Dairy since early June. As far as I know, I will not be attending N.B.I. this fall, but I plan to attend next fall.

I will be praying that the Lord will bless your class and also that you will be a blessing to others.

In answer to your request for some news about myself, I have been here in Seattle all summer working. On Sundays I attend Sunday School and Church at Georgetown, and do what I can to help in that needy place. Bro. and Sis. Bob Frivold are in charge of the work there now.

The Lord has been very near and dear to me and I am looking forward to school starting again, so that I might continue to prepare to work for Him somewhere in the whitened harvest field.

Your brother in Him,

A LETTER OVER THE TELEPHONE FROM --- BOB FRIVOLD

We are having a new adventure in serving the Lord in and working with the people in the Georgetown community. We have good help from many of our classmates, including Don Dickhoff, Amos Millard and Marie Zumwalt.

I am being kept busy working on the side, while my wife is taking care of her Mother in Yelm. I have been a married bachelor most of the summer.

We just came back from a little trip to Cannon Beach at Seaside, Oregon. This is as far away as we have been this summer.

Extra Extra - - FIVE LETTERS FROM SENIORS WERE LOST IN THE

MAIL ---or were they?? Anyway, this is what

we have heard about them!!!!

A LETTER FROM THE MARRIED COUPLE'S DORM

Praise the Lord, He is surely real!

We've had a wonderful time serving the Lord this summer. We taught in two D.V.B.S.'s besides boy's camp and girl's camp. Oh, the wonderful thrill of seeing boys and girls faces shine with the love of God. To see them come seek the Lord 'til all hours of the night and through the day instead of playing.

Such a responsibility we have in this world, students, and such a wonderful privilege. I'm more determined than ever to get down and really dig and study to show myself approved of God. I've found this summer that we just can't know too much of God's word to cope with these people's problems.

In His service,

THE WIND BLOWS IN A LETTER FROM SEQUIM

Having arrived home I received the News Bulletin letter awaiting me. After having a D.V.B.S. class, I attended the camp meeting at Silver Lake.

No sooner had I arrived at Sequim when it was my lot to travel to eastern Washington, with a party I had formerly known. The opportunity for personal work is always presenting itself when one is on bus, boat, car, or plane.

The many manual duties--I still find, help to balance one and they can and have been the means of a blessing to me this summer. I drove automobile several hundred miles in the Columbia river basin, burned sagebrush, had a Soap bath for the first time (or did he say Soap Lake bath?). Gazed upon part of the enormous Government project at Moses Lake.

Fellowship at Sequim has been precious, with a communion service last night a tarrying service in Port Angeles and visitation work in the country. Also my near kin from Texas spent these few days at Sequim with my folks. These days seem to be days of studying how I may be a workman thoroughly furnished unto all good works. Amen! There is a great and effectual door open unto me. I look at my third year at Bible school as a time of duty, privilege, growth, and opportunity. It must need be that with our blessings come responsibility. However, I do feel very much the need of studying myself, an unashamed worker for God.

The need is apparent everywhere as a burden for the regeneration of hearts bears upon me day by day. May we be faithful in this all important and vitally urgent task of the hour. The writer joins his spirit with that of the saints for a prosperous journey and a bountiful harvest of souls on the field.

In His love,

Walter Fardgrove

KALISPELL, MONTANA

Greetings in Jesus' name!

I have been home on the farm since the closing of school. It has done me more good than what I could express in this note of greeting.

It was my privilege to be able to attend the camp meeting at Livingston, Montana this summer. The Lord certainly opened the windows of heaven and poured in the blessing. It was good to have been there.

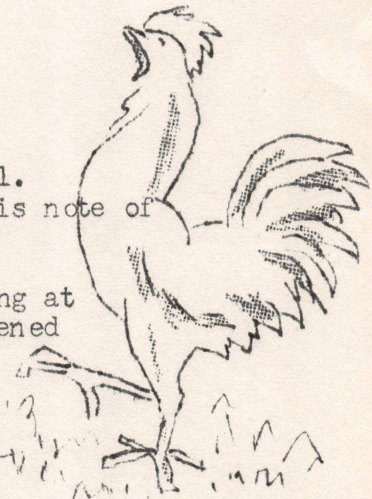

I am teaching a Primary class in Sunday School now, and it is a blessing in itself to be able to do it. What a glorious opportunity is ours of giving out the Gospel of the Lord Jesus Christ.

Some of our young people, including myself, have been helping out in the Assembly of God Church in Whitefish each evening.

The C.A. president has asked me to take charge of the C.A.'s for at least one service. We have many good C.A.'s and I hope to see some of them attending N.B.I. within the next couple of years.

There are other things which I could write about, but time does not permit.

May God richly bless each and every one of you. Let us pray one for another. Sometimes it seems hard to keep the victory.

G.I.-- JACKMAN

You will think the army was mild when the Editor gets hold of you for not writing a letter!!!!

However, we feel sure that you are being kept busy working for the Lord this summer.

We will be listening for your number during roll call on September 29.

LONGVIEW, WASHINGTON

Greetings in Jesus' name!

I am already looking forward to September 26th at which time I expect to leave Longview in my old jalopy and hope to reach Seattle in five hours. School is only a month away now, so it won't be long.

I enjoyed the "News Bulletin" of last year very much. I was wondering if our class was going to have one this year or not.

The Lord has answered my prayer for some kind of service that I could do for Him this summer. I was given the High School Teen-age Sunday school class, and I've found such a blessing from teaching them. Many of the pupils have received the Baptism of the Holy Ghost and are genuinely saved.

The young people of our church have begun a work in a small district outside of Kelso and I have had the pleasure of helping there when needed. And the need is great!

I've heard from several students but most of them were Seniors or Freshman. Ethel Kroley wrote and is still in Seattle. Also heard from Velma Tyler. From rumors I have heard, she is supposed to be Mrs. Howard Heimback sometime in September. Also, everyone should know that Evelyn Johnson will be married in Kelso on August 16th to Stanley Jacobson.

I have a steady job about three days a week and the rest of the days I'm usually canning for my father.

Greetings in the name of Jesus!

I have been working as a carpenter ever since the last week of school last spring, and expect to work at same job till the 15th of September--when we will take charge of the boy's dormitory.

My wife taught Daily Vacation Bible School at Hollywood Temple this year.

I do want to thank the Lord for answering prayer, it seemed as if the door was shut and I just couldn't see how I'd ever get to school this next year, but, thank God for an open door.

Greetings in the precious name of Jesus!

This has been a wonderful summer for me. I have been privileged to teach in two Vacation Bible schools, and also have the joy of seeing two of the little girls in my class, age six, take Jesus into their hearts as their Savior.

My little class down at the mission keeps me busy from week to week--teaching them about Jesus. I have found many unexpected opportunities to witness for Christ. What joy and peace fills my heart when I have testified to some needy soul of the saving and healing power for our God. Praise His Holy Name!

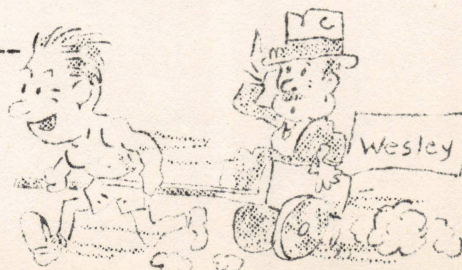

I am looking forward to seeing you all in a few weeks, God willing.

A LETTER COMES IN FROM NORMAN, OKLAHOMA---

I hope this finds you-all (I'm in the south) as happy as I am. I have always wanted to travel a great deal and thought I should never have the opportunity. However since leaving Bible School at the end of May, the Lord has permitted me to travel over 6000 miles, in nine different states. It has been my pleasure to visit the famous Alamo in San Antonio, Texas, and the Gospel Publishing House in Springfield, Missouri, as well as the Southwestern Bible Institute in Waxahachie, Texas.

I am pretty busy studying here at the Summer Institute of Linguistics, on the campus of the University of Oklahoma, which is an eleven weeks' course, sponsored by the Wy-cliff Bible Translators of Glendale, California. The main objective of this course is train missionaries and Bible students in the technique of translating the Word of God into the aboriginal languages of the globe. It is a very difficult course, and yet a very interesting one. It is my hope that more NBI students will take the course this following summer, especially those hoping to do Bible translation work. The theory that it gets hot in Oklahoma is ungrounded. It is over 100 degrees most of the time, but it is not unbearable, provided you wear clean shirt and bathe at the end of every hour.

I find it a very enjoyable pastime on weekends to see how far I can get from Norman and still get back in time for classes on Monday morning. I enjoy the campus here, but is nice indeed to get away from the atmosphere of study for a day or two.

This past Saturday Frank Thomas (you remember the freshman from Oklahoma) and I went fishing and swimming in the Caney River, not far from Tulsa. It was a means of escaping the heat for a short time.

This is a rather a lengthy excerpt to put in the "News", so I shall close briefly by saying that I am enjoying some very spiritual services in the Assemblies here in Oklahoma, and have met some wonderful men of God this summer. I am eagerly looking forward to my senior year of school at N.B.I., though I really hate to leave here.

Yours in the service of Christ,

Alvin E. Martin

SEATTLE REPORTING--

Greetings in the name of our Lord and Savior, Jesus Christ!

I left Seattle on June the 12th for my home in eastern Montana, and was there for five enjoyable weeks. My husband arrived home on the Fourth, and we came back to Seattle on the twentieth of July---just two weeks ago.

While home, we had the privilege of helping in the church services in various ways. I was always glad to lead the song services, speak for the C.A. services, etc. We also had the privilege of taking charge of one of the Sunday evening services there. Our Church is temporarily without a pastor, so we were asked to take charge this particular Sunday. It truly is good to work for the Master at anytime, anywhere. I do not know much news about other classmates, so will let you hear from them personally.

May God richly bless you, and also every Navigator of this year.

A WORD FROM THE SILVER LAKE BOYS AND GIRLS CAMP--

Another vacation almost over and soon we will be back in school again.

Our summer has been especially busy. The first two weeks after the close of school, Jackie and I worked at the Northwest Gospel Publishing House, then we went to Rustin, Washington, where we conducted a two-weeks Vacation Bible School. Four junior girls had a definite experience with the Lord, Praise His name!

Next we went to Ballard Gospel Tabernacle, in Seattle, for another two-weeks of D.V. B.S. Several souls were saved and two boys in the intermediate class were reclaimed.

Our next school was at New Castle, seven miles beyond Renton. This is the new work started last February by seven students from school, and Bro. and Sis. Brooks, Charlotte's parents. There was a total enrollment of 95 with a daily average attendance of 73. Bro. and Sis. Leonard Butcher, Charlotte Brooks, and her mother worked with us here. Our Sunday School attendance was increased, and homes were reached that we had been unable to reach before. The Lord is truly blessing us here.

Since last February 10 souls have been saved. Eight of these were young people, and they are all going on with the Lord. We have young people's services every Wednesday night, and always have a good number.

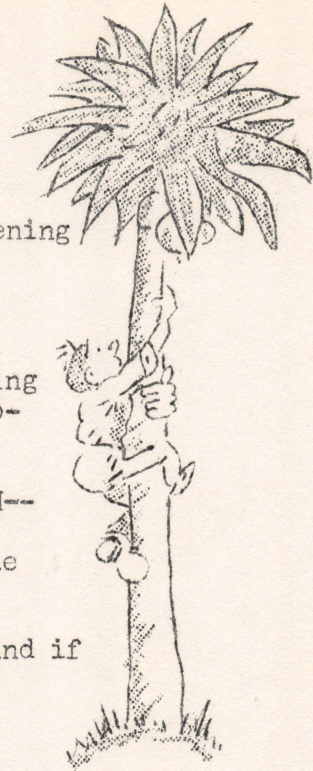

Now after a weeks rest in Bremerton, we are helping with Boys and Girls Camps. We were happily surprised to have Brother and Sister Earl Johnson visit us here at camp while they were on their honeymoon. You will know Sister Johnson better by Fern Millsap.

Looking forward to seeing you in school, we are--

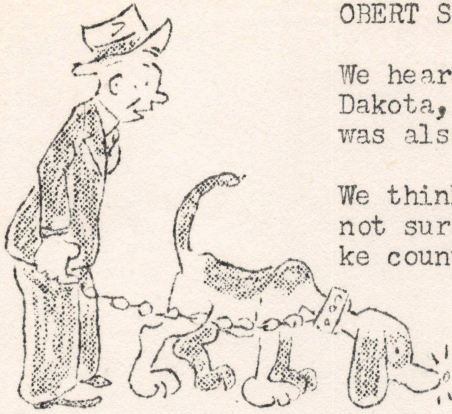

Your sisters in the Lord,

Jackie Scribner
and

WE HAVE BEEN SNOOPING AROUND FOR NEWS FROM---

OBERT SKOGSTAD and WALTER SMITH

We heard that Obert and his wife took a trip back to North Dakota, but that is no excuse for not writing, Obert! He was also seen at the Silver Lake Camp Meeting.

We think that Walt took a trip this summer, also, but we are not sure where. Perhaps back to that beautiful Flathead Lake country in Mon--taaaaa--na. Ahem!

We will be looking for both of them back on the opening day of school. And if they don't show up-----we really will do some "snooping" around.

FLASH!! --- FROM LEWISTON, IDAHO--

Greetings in the name of Jesus!

This is to be a two-fold greeting. Fern is getting married tomorrow, and they are leaving immediately after the ceremony. That means that Fern won't have time to write so I'm writing for both of us.

Fern has been working in an office this summer.

During the month of June, Dolores Galloway and I held two Bible schools. The Lord certainly blessed. We had 119 enrolled in one and 130 in the other.

Fern and I have been enjoying working in the C. A. group here, too.

The Lord willing, we'll both be in school again this fall. We've really missed everyone, and it will be grand to be in school again.

May the Lord richly bless you all,

Elaine & Fern

WE DID NOT HEAR FROM--

CHARLES STATON, but we understand that the wedding bells rang for him too this summer. Congratulations, Charles! We also heard that he will not be attending N.B.I. this year, but is going to C.B.I. We will miss you!

TACOMA, WASHINGTON--

Greetings in Jesus dear name!

The Lord has been very good to us this summer. He has shown Himself in some wonderful ways. I had the privilege of helping in one Bible School just before we moved, and I surely did enjoy it. I am afraid I won't be able to make school this first semester for more reasons than one, but the Lord willing I will see you second semester.

This one thing I know, is my God shall supply all our needs and He has surely proven that to us. Genevieve and her husband are over in Kettle Falls, Washington, and they said it is wonderful what has been done for the Lord. They have started a new Sunday School.

A sister in Christ,

WE'RE STILL WAITING FOR NEWS FROM--

RUBY SWANNACK. We heard that she is in Spokane, but we don't know anything definite. You should have written us, Ruby, so we would have had something to report. We will be looking for you in school.

NEWS FROM PRINEVILLE, OREGON--

The Lord's blessing upon you all!

How I do look forward to seeing you soon at N.B.I.!

I have only praise to God for His continual presence and the manifestation of His grace, as I have seen the mighty power of the Gospel again and again during these summer months.

Leaving Seattle the night school was out I arrived in eastern Oregon the following afternoon to begin D.V.B.S. work. Have had many and varied experiences.

Scores of children have accepted Christ as their Savior and other wonderful things have taken place. The Lord Jesus Christ is doing a tremendous work, and quickly, before His soon return.

I am taking pictures, and keeping a daily diary, so will have lots to tell of the goodness of the Lord when I get back. Will be here on the field until September 15th.

Hold the Gospel light high! It is sorely needed everywhere.

Yours in Christ Jesus,

Marian Thornton

A WELCOME LETTER FROM SAN JOSE, CALIFORNIA--

Greetings from the South!

Haven't much to report---attended our fine camp meeting for a few days. They expect to hold it about 20 miles from here in the lovely Santa Cruz Mts. next year.

Had a long vacation (which I needed) and am busy again in assisting in the new church here, and playing on Sunday mornings at the First Presbyterian (my grandfather was a Presbyterian preacher).

What company! Their music director was a famous radio tenor, and their beautiful soloist last Sunday was also a famous radio star and the movie (!) double for Gladys Swarthout, Contralto. They're delightful people, but I doubt if either of them is saved.

My folks have moved into the city, so have been busy with adjustments and plans for a little remodeling. Meanwhile, we're enjoying a reunion and have one houseful.

My sister is here from New York, so there is never a dull moment, and what an opportunity to live the life before unsaved relatives and friends. Mother and I receive numerous questioning glances, but I notice that they respect us deeply. Praise the Lord!

Isn't it grand to be "different"?

Do hope you're all having a wonderful summer, and are winning many precious souls to Christ.

Maybe I'll bring Roberta back with me.

With best wishes and Christian love to all----

Yours in Christ

Lucille Y.

Editor's note: Roberta is Lucille's niece, and an application has been received in the office from her, so evidently Lucille was successful in persuading her to come to N.B.I. Nice work, Lucille.

SEATTLE, WASHINGTON

The Lord certainly has been good to me this summer by giving me many opportunities to play and testify for Him, which has drawn me much closer to Him. Praise His Name! Right now I am vacationing in Cannon Beach, Oregon, by the ocean, resting up so as to be more capable of serving Him.

I am waiting with anticipation for good ol' N.B.I. to commence again.

A classmate in Christ,

Lucille Hustad

This is all the news I know. Looking very much to this fall term, I remain a--

LEE WALLACE REPORTING--

Greetings in the name of our Redeemer!

I was glad to get your letter and to know that we are going to have a "News letter". My accomplishments have been small this summer, but I am thankful that we can witness for our Lord wherever we are. I have worked on several crews and have been able to tell many of the saving grace of the Lord Jesus Christ. I spent several weeks working on a brush crew near Spirit Lake. Lately I have been digging a basement under our house.

I am surely looking forward to a glorious year at N.B.I. this fall, if the Lord tarries. I saw Brother Bert Pearson and Edna Harshaw recently, they are still rejoicing in the Lord.

I'll be looking forward to seeing you this fall, until then, may the Lord bless you and keep you.

Sincerely in Christ,

Lee A. Wallace

NEWS FROM ALASKA--

This summer finds me in Alaska working. There is an Assembly of God Church here, and best of all the "Old Time Power" falls. We have had wonderful services.

Am looking forward to my last year at N.B.I. I will be coming in late, around Nov. 1st. Wish I could be there on the opening day, but present circumstances hold me back.

Your classmate,

Eugene V. Vinding

Eugene must not have noticed the new rule in the catalogue, which states that no one will be allowed to enter after the 13th of October. Sorry Bud, you had better grab a boat quick!

Announcing

a Brand New Baby

By-the-way, Bud, you forgot to tell us about the new arrival!!!

Congratulations Bud + Margaret

WE ARE VERY DISAPPOINTED--

Because we didn't get any letter from GENEVIEVE WEBB. We don't have anything to report either. You should have dropped us a line, Genevieve.

WE ARE KICKING--

Because we didn't get a letter from Arlene Wilkins. We hear though, that she is being kept busy in Bremerton.

PRINCE GEORGE, BRITISH COLUMBIA, CANADA--

Greetings in Jesus' name!

The Lord has been blessing this summer in ways unexpected. The Fox Party are here and have been for the last three weeks. Many souls have been saved and also bodies healed in the healing services.

I have enjoyed working as an altar worker during the meetings and it certainly has been a blessing to point those that come to the altar to the only Savior of their souls.

Another worker and I just concluded a two weeks D.V.B.S. for Bro. Townsend, and the Lord blessed. I really believe boys and girls were saved because of their earnestness and seriousness of their actions. I can praise the Lord that He works as we pray in faith believing.

A week from this coming Monday, I will be going to Quesnel to help Brother Davis in his D.V.B.S. after this school is over, I will be thinking of home again and the coming school year.

Pray with me that the Lord will bless our class more than He has in the past.

Looking forward to seeing everyone again and the Lord's blessings.

Your brother in Him,

Jim Wilson

A WORD FROM SEATTLE--

This summer has proved to be a very busy one for me. My days have been just as full as when I was in school. In fact I am still attending school at the Stenotype Institute of Seattle.

My days have been filled with answering numerous questions of the veterans who attend the University of Washington, working for the Veterans has given me these opportunities for added experience in the field of personal work. "He that winneth souls is wise." May the Lord help us to always keep the fear of the Lord ever upon our hearts, "The fear of the Lord is the beginning of wisdom."

Remember, Marie, "Opportunity only knocks once!!"

I have also enjoyed the presence of the Lord as I played the accordion and piano for various mission and jail services here in the city. I also wish to report on my vacation which I spent at beautiful Silver Lake during that wonderful Camp Meeting.

May the Lord bless everyone of you till we meet again this fall.

Yours in His service,

--00000--

OVER THE PHONE--

Reporter: "This is the "Log" reporter calling Brother Ellis. Can you give us a word for the "Log"?"

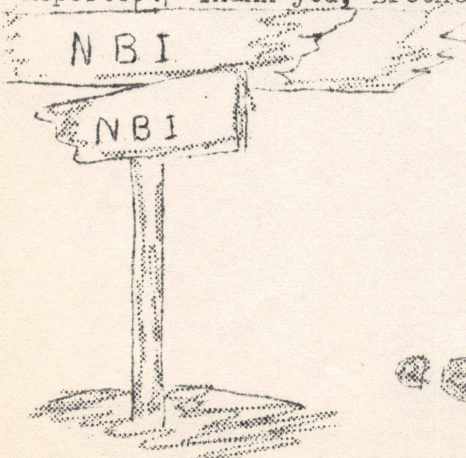

Brother Ellis: "Well, first of all, after school was out I was sick for about a month but the Lord healed me. Praise the Lord!"

Then it was my privilege of speaking for the Fruitland Camp Meeting where Bro. Torgeson has the work.

After coming back to Seattle I spoke at different times at various places, two of which were Sunday meetings at Bremerton.

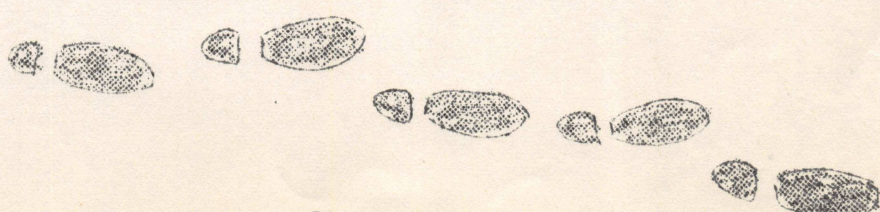

Since then, I've been supplying for Brother Ness at Hollywood Temple. I guess that is about all."

Reporter: Thank you, Brother Ellis.

A SONG OF THANKSGIVING-----

Thou visitest the earth and waterest it:
Thou greatly enrichest it with the river of
God which is full of water.
Thou providest them corn when Thou hast so
prepared the earth.
Thou waterest the ridges thereof abundantly.
Thou settlest the furrows thereof:
Thou makest it soft with showers.
Thou blessest the ~~o~~ ringing thereof
Thou crownest the years with Thy goodness:
And Thy paths drop fatness.
They drop upon the pastures of the wilderness:
And the little hills rejoice on every side.
The pastures are clothed with flocks:
The valleys also are covered with corn;
They shout for joy, they also sing.

Psalm 65:9-13
