

OUR PRINCIPAL SPEAKS . . .

The world today is like a troubled sea with the floodtides of sin almost overwhelming humanity. The nations of the world are being swallowed up by the waves of Satanic forces. Millions are lost in the fog of confusion and deceptive delusion. Thosands are sailing the sea of life without a compass or chart to direct their course and with no port in view. Many marred and battered by sin, are lying hopelessly on the shores of time. Individually and nationally, mankind is sending out the distress call.

change tone

To you is presented the greatest challenge of this age. Never in its history has the world been in such great need of consecrated leadership to direct its affairs. Saint-filled men and women are needed to stand in the gap and use their influence for righteousness and truth.

hold out Bible

To you is given the privilege of giving out the Word of God as a chart to direct the course of those who are starting out and warn them of the shoals and whirlpools of the enemy. To you is given the hazardous task of overtaking those on the high seas and urging them to invite the heavenly Pilot aboard their storm-tossed craft. To you also is given the great undertaking of rescuing human wreckage and bringing hope out of despair.

Warmer

This is indeed a tremendous responsibility, but remember you have the perfect chart, infallible instruments, and an unfailing Guide. Do not be discouraged by the waves of doubt and fear that may arise, for the Unseen Pilot will see you through. You have His promise—He will never leave you nor forsake you. He will be with you even to the end of the age.

Smile

HENRY H. NESS
