CONGRATULATIONS ROGER!

Roger Altizer won First Place at the Clark College debate tournament in Vancouver, Washington on December 3 - 5. He received the highest number of speaker points of all debaters who took part in the one against one, Lincoln-Douglas style of debate. Ten colleges and universities competed. Roger was also a finalist in the highly competitive event of Oral Interpretation of Literature. Lise Lovoll just missed getting into finals by one point in the two interpretative events she entered. Would you like to debate? Talk to Roger about his experience. Questions, call Prof. Gillespie at 5257.

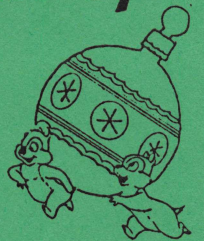

\$\$\$\$\$ Has the cost of education brought you to the poverty line or even below? Well, maybe you haven't reached such extremes, but you need help with **paying for college.**

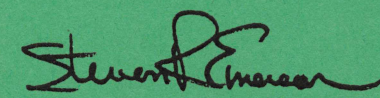

It is not too early to begin thinking about your financial aid for the 1994-95 school year. Recently, you should have received in your campus mailbox **forms and information** (along with a special gift surprise) for the **upcoming school year 1994-95.** Please make sure you **check your mailbox** for these and begin the financial aid process right away so you are able to meet the upcoming deadlines.
