*The Staley
Distinguished
Christian Scholar
Lecture Program*

Each year the student body at NORTHWEST COLLEGE enjoys the Staley Distinguished Christian Scholar Lecture Program. Guest speakers are invited from throughout the world for this significant time of spiritual renewal.

It is with deepest gratitude that the administration, faculty, and the students accept the participation of the THOMAS F. STALEY FOUNDATION in sponsoring this event.

The Staley Distinguished Scholar series is a project of the Thomas F. Staley Foundation of New York.

This lectureship was established in the fall of 1969 by Mr. and Mrs. Thomas F. Staley of Rye, New York, in memory of their parents, Dr. and Mrs. Thomas F. Staley, and Judge and Mrs. H. H. Hayes of Bristol, Tennessee.

The Thomas F. Staley Foundation is firmly persuaded that the message of the Christian Gospel when proclaimed in its historical fullness is always contemporary, relevant, and meaningful to any generation. To this end, the Foundation seeks to bring to the college and university campuses of America distinguished scholars who truly believe and who can clearly communicate to students.

Therefore, the Foundation is pleased to assist NORTHWEST COLLEGE in the sponsorship of this special lecture series featuring Dr. Murray Dempster.
