

ASB REMINDER

Registration for the winter quarter will be on a SATURDAY instead of a school day. The date is November 6. Students should see their counselors before that date to arrange their winter schedule.

Students in the language department are enjoying new equipment. A record player with ear-phone outlets makes possible the use of language records in the library during school hours.

Watch for announcements of the coming forum discussion on November 1.

Have you returned your proofs? If not, please do so as soon as possible. The quicker you return your proofs, the quicker the pictures will be returned to the Karisma Staff.

On Oct. 10 the Dactology Club ministered to the deaf in their Tacoma church. This is only one of the activities that are planned for this club.

We urge each student to remember the Spiritual Emphasis Week services in prayer. Rev. William Kirschke, pastor at Longview, will be the speaker. Come praying and believing for an outpouring of God's Spirit in our midst. Tell your friends and relatives about the night meetings. Invite everyone.

Saturday, October 30th is the date for the Harvest-time social. Every student is encouraged to attend this time of social fellowship. This is an all school affair and everybody will have a grand time. Come in informal attire.

Don't forget the football game tomorrow with S.P.C. at Green Lake Field at 2:30 p.m. Everyone come and boost the morale of the Eagles.

The Romans-Calatians class discussion was stimulated today by the serving of tea and cookies. Class members shared in the provisions. Mrs. Lorna Millard sent some special cookies to add to their enjoyment.

The Spanish Club will enjoy slides of Cuba at their meeting tonight. Mrs. William Allen, on furlough from eastern Cuba, is the guest speaker.

This is our second issue of the Reminder. It will appear weekly in place of the Courier. Student groups will find a way to place their announcements in the hands of all students. Contact Loyd Hinkle with your announcements and items of interest.
