## MEET OUR PREXY

When you hear the beautiful strains of music coming from the strings of the Bass fiddle and a voice singing, "Jesus Do A Work In Me", you can be sure that it is Phil Ritter.

Phil has written several songs. They include: "Jesus Do A Work In Me", "Tender Hands", "Hear the Whisper of the Saviour", and Remember, Be Faithful."

"Jesus Do A Work In Me", has been recorded.

Phil was born in Longview, Washington. At the age of 15, he went to Sunnyside. Two years later he moved to Yakima.

Before entering N.B.C. in 1949, he was associate pastor at Yakima Tabernacle for two years.

After one year of school he served as an evangelist for two years. He then came back to N.B.C. in 1953. That year he was elected Sophomore class president, and this year is president of the Associated Student Body.

"I feel that this year we are enjoying a spiritual refreshing that has exceeded that of the past two years," stated Phil. "This is the

result, I feel, of a passion for God. Let us not grow weary, but continue in seeking God and let us determine this year above everything else, to put God first."

WIT'S END CORNER

(continued from col. 1)

"At their wit's end, they cry unto the Lord in their trouble, and He bringeth them out." Ps. 107:27,28.

Are you Standing at "Wit's End Corner," Christian, with troubled brow?

Are you thinking of what is before you,

And all you are bearing now Does all the world seem against you,

And you in the battle alone Remember----at "Wit's End Corner"

Is just where God's power is shown.

Are you standing at "Wit's End Corner,"

Your work before you spread All lying begun, unfinished

And pressing on heart and head, Longing for strength to do it,

Stretching out trembling hands?

Remember----at "Wit's End Corner"

The Burden-Bearer stands.

Are you standing at "Wit's End Corner,"?

Then you're just in the very spot

To learn the wondrous resources

Of Him who faileth not,

No doubt to a brighter pathway

Your footsteps will soon be moved.

But only at "Wit's End Corner"

Is the "God who is able" proved. Selected.
