General Information

The Northwest Bible College is a theological school for the training of pastors, evangelists, missionaries, chaplains and Christian workers. It is operated under the supervision of the Northwest District Council of the Assemblies of God.

HISTORY

A knowledge of the history of the Northwest Bible College will inspire the student to greater faith and help him to appreciate the benefits to be derived from the training offered by the school.

Prior to the opening of the school, the need for such an institution had been felt throughout the Northwest District for some time. Much prayer was offered unto God by the brethren, and several efforts were made to establish a school.

It was because of the faith and vision of the first president, Dr. Henry H. Ness, that Northwest Bible Institute came into existence. It was only a short time after he had accepted the pastorate of Hollywood Temple, now known as Calvary Temple, that the Lord laid on his heart the need for training young people for the Lord's service and gave him a vision of Spirit-filled young men and women, thoroughly trained in the Word of God, going forth to the uttermost parts of the earth proclaiming the Gospel of Christ.

Dr. Ness presented the need to the Board of Hollywood Temple and received its endorsement for housing such an institution. He conferred with Rev. Samuel Swanson, District Superintendent at that time, who requested that he present the proposition to the Northwest District Council in session at Centralia, Washington. The offer was accepted, and on October 1, 1934, Northwest Bible Institute, under the leadership of Dr. Ness, became a reality.

Eighteen students were present at school on the opening day, but by the close of the first year forty-eight had enrolled. The approval of the Lord was upon the school from the beginning, and the Holy Spirit was poured out upon the student body in an unusual way.

It was because of the sacrifice of the faculty that the school was made possible in those first few years of its existence. Many of them served with little or no salary. God rewarded their efforts, and the school grew in numbers and influence each year. At the close of the third year, when the first class was graduated, the school had an enrollment of 222. Since that time the school has made remarkable progress under God's blessing.

In the fall of 1947 a fourth-year course was added to the Institute, and the school began operating on a collegiate level. Fourteen students were graduated with a Bachelor of Arts Degree in Religious Education in the first class of 1948.

In January, 1949, Dr. Ness resigned from the school, and Rev. C. E. Butterfield, pastor of Bethany Temple in Everett, was appointed the second president. Also, an executive committee, composed of the President, the District Superintendent, and four members of the Board of Directors, was appointed to aid in the administrative affairs of the school.

Because Northwest Bible Institute had been operating on a collegiate level for the preceding two years, the Board of Directors voted at the District Convention in June, 1949, to change the name to Northwest Bible College.

Graduates of NBC are scattered to the four corners of the earth. There are more than eighty on the foreign field and hundreds in the homeland who are proclaiming the Gospel of Christ. Some have laid down their lives for the Lord; others have suffered hardships for His Name's sake. Victorious reports come from the various fields of labor of the blessing of the Lord upon their consecrated effort. Truly the vision and sacrifice of the first president and his co-workers were not in vain. God has crowned them with blessing.

The blessing of the Lord has been upon Northwest Bible College in a marked way from its inception, and thus it is with confidence that we look forward to the future knowing that "He which hath begun a good work will perform it until the day of Jesus Christ."

OBJECTIVES

Northwest Bible College believes that it is possible to combine sound scholarship and vital Christian living. Therefore, its entire curriculum has as its objective the realization of this purpose.

The specific aims of the College are:

- (1) To offer a thorough course of instruction in God's Word to all students so that each one will have studied by the time of his graduation every book in the Bible.
- (2) To organize the curriculum of study in such a way that each student will have an introduction to the basic fields of learning, such as language, literature, history, and science, as well as courses of a more specialized nature.
- (3) To help students form wholesome intellectual, social, and spiritual attitudes that they may be better prepared for college life, for citizenship in a democracy, and for effective Christian service.
- (4) To train pastors and evangelists by giving ministerial students suitable courses of instruction and opportunity for actual ministry.
- (5) To foster missionary interest and to help missionary candidates prepare for their fields of calling.
- (6) To provide training in Christian education for young men and women in order that they may be properly qualified either to engage full time in Sunday School and youth work, or to return to their home churches and become active and efficient lay workers.
- (7) To provide a complete course of instruction and adequate practical experience for those who desire to develop their musical talents or to devote their lives to the ministry of music.
- (8) To assist those who desire to prepare for the chaplaincy, for teaching, for nursing and for other types of occupation and service.
- (9) To encourage all students to be filled with the Holy spirit, to live consistent Christian lives, and to lead others to Christ.
- (10) To regulate the academic and spiritual life of the school in such a way that the Northwest Bible College will make a distinctive contribution to education and to the cause of Christ.

ACCREDITATION

Northwest Bible College is endorsed by the Education Department of the General Council of the Assemblies of God, Springfield, Missouri.

It is affiliated with the Evangelical Teacher Training Association, Chicago, Illinois.

It is approved by the Department of Justice (Bureau of Immigration and Naturalization), by the Headquarters of the Selective Service System, and as an educational institution for education or training under Veterans' Readjustment Act, Public Law 346, 78th Congress (G. I. Bill).

LOCATION

Northwest Bible College is located near beautiful Green Lake in the residential northeast section of Seattle. The quiet atmosphere and pleasant surroundings make it ideal from both the spiritual and natural standpoint. Seattle's three lakes, forty-four parks, and other scenic centers, offer varied opportunities for wholesome recreation. Nearby shopping districts provide excellent positions in many fields of labor. The University of Washington and other prominent Colleges are located in Seattle where students may take special work in addition to that which is offered by this college.

Seattle is a city of unusual beauty located on the shores of beautiful Puget Sound between the Olympic mountains on the west and the Cascades on the east. It is the Gateway to Alaska and the nearest United States port by sea or air to the Orient. Seattle is not only an ideal place to visit but a wonderful place to live: Altitude—sea level to an elevation of 450 feet. Health—one of America's healthiest cities. Climate—as near ideal as can be found anywhere. The average temperature in winter is 41 degrees, and in the summer, 63 degrees. The city's cosmopolitan area of 73.2 square miles embraces a population of about 500,000 people. Seattle is the largest city of its age in the world.

ACTIVITIES

The Northwest Bible College has included in its program such activities as will develop the student spiritually and socially.

Chapel: Every morning the students gather for a devotional service of prayer, praise and the reading of God's Word. From time to time outstanding Christian leaders and speakers address the student body. Daily attendance is required of all students.

Missionary Bands: Interest in missions is stimulated by praying for, giving to, and serving in a practical way the needs of the missionaries. The meetings of the missionary bands are held once each week. Students may join the group of their choice.

Student Service: One night a week is set aside for a service which is conducted by the members of the student body. All students are required to attend the service.

Gospel Teams: Students are given opportunity to serve in a practical way by means of Gospel teams. Requests come from churches and religious organizations in Seattle and vicinity for students to participate in services, teach Sunday School classes, lead song service, speak in youth meetings and special services, and render vocal and instrumental numbers. Each student becomes a member of a Gospel team and participates in the activities of his team. Christian service credit is issued for Gospel team activity, and a specified number of Christian service credits are required for graduation.

Faculty Reception of New Students: An informal gathering is held on Wednesday evening following the opening of school for the purpose of welcoming the new students and introducing them to the faculty and to other students.

Matriculation: It has been traditional to hold a service on the first Friday night following the opening of school formally to start the new school year. Officials and ministers of the District, alumni, and friends of the school join with the students in this special service.

All-School Banquet: One evening in the spring of the year is set aside when all the students and their faculty gather together for this special function which has proved to be a time of spiritual refreshing as well as a time for natural refreshment and social fellowship.

All-School Picnic: Another annual affair which is attended by faculty and students in the all-school picnic which is held one Friday during the Spring quarter.

Sports: Gymnasium facilities and athletic fields are available to the students where they may participate in all types of sports and physical culture. Students should bring their own physical education clothing.

EQUIPMENT

Items of equipment owned by the college, and used exclusively for the benefit of the students, are a recording machine, two transcription machines, several large musical instruments, such as bass viol, sousaphone, and a set of drums, a stereopticon, or lantern slide projector, and a miniature slide projector with a change-over mechanism for 35 mm. filmstrip. The recording machine is used to great advantage in speech classes and various music groups. The transcription machines are used in language classes for the transcribing of records from the school's library of recordings in the French and Spanish languages. The musical instruments are for the use of students participating in the orchestra and in other instrumental groups.

The projectors, together with a splendid 16 mm., sound, motion picture projector which is owned by the associated student body of the college, and materials for the making of both miniature and lantern slides and for the preparation and presentation of non-projected visual aids, are used in connection with the course in Religious Visual Aids.

The associated student body owns a 30-passenger bus and the sound, motion picture projector referred to above. The bus is used to transport the choir and orchestra to their various engagements. It is also used as a means of transportation for students as they travel to and from the various places of assignment in their practical service for the Lord in the downtown missions and other places where the students conduct Gospel services. And, too, the bus provides a ready and an inexpensive mode of transportation for the students when they have the privilege of indulging in one of those looked-forward-to and pleasurable outings or social activities of the college.

The motion picture projector finds its greatest use in the projection of film depicting some mission field, its people and their customs, and its need of the Gospel. These films may be ones which are in possession of some visiting missionary, or they may be some which are rented and shown because of their special or particular interest to the student body or to the members of the class in some Missions course.

LIBRARY

The constantly growing library has recently been moved to attractive new quarters and now occupies a well-lighted, well-ventilated room with facilities for further expansion. It is furnished with new oak tables purchased by the student body and with new posture-chairs.

The library contains over 5,000 volumes and is classified by the Dewey Decimal System. A number of selected periodicals are received regularly. The vertical file contains pamphlets on many subjects, as well as visual aid materials. Provision is made for use of the linguaphone for language study and for the loan of audio-visual aid equipment.

In addition to the college library, students have ready access to the Green Lake Branch of the Seattle Public Library, which is located just a few blocks away and which contains 20,000 volumes; the University of Washington Library, 611,000 volumes; and the Seattle Public Library, 680,000 volumes.

BOOKSTORE

The Northwest Bible and Bookstore, which is owned and operated by the College is located in the administration building. It handles textbooks, Bibles, commentaries, concordances, dictionaries, and other books of value in building a Christian worker's library. Students are given a discount on most book purchases. The bookstore also sells school and stationery supplies, Gospel recordings and songbooks and college souvenirs.

COLLEGE PAPER

The COURIER is published monthly by the student body under the direction of Miss Bobbie Roberts, instructor in Journalism. It is not only given to students and faculty members but is also mailed to hundreds of alumni, ministers, and other friends of the college. The COURIER presents a well-rounded picture of the academic, social and spiritual life of the school. It contains news of chapel services, Gospel Team trips, student activities and many other items of interest.

ALUMNI

Membership: All graduates of Northwest Bible College (or Northwest Bible Institute) are eligible for membership in the Alumni Association, while former students may become associate members. The graduates and former students now total approximately 2,200.

Officers: Officers of the Association are: President, Virgil Dickinson, '43, of Seattle; Vice-President, Russell Emerson, '49, of Depoe Bay, Oregon; and Secretary-Treasurer, Jeannette Finch, '44, of Seattle.

Activities: On the last day of each school year alumni from many states convene at Northwest Bible College. First they assemble with the student body and take charge of the morning chapel service; next, they meet in the lower auditorium for their annual business meeting at which time they elect their officers for the coming year and transact other business for the association; this is followed by the alumni luncheon and then in the afternoon comes the traditional Alumni-Senior baseball game, which is held in nearby Woodland Park.

An Alumni Homecoming Banquet is held in the Autumn on Matriculation Day. This is the first Friday after class instruction begins in the Autumn Quarter. In the evening of Matriculation Day, the alumni join with ministers and friends from over the District in the official opening of school.

THE LIVING ENDOWMENT FELLOWSHIP

To supplement the income of the school and to help keep the cost of tuition down, a program known as the LIVING ENDOWMENT FELLOWSHIP was launched in the spring of 1950.

The LIVING ENDOWMENT FELLOWSHIP is composed of a group of persons interested in Northwest Bible College who propose to contribute regularly to the college. The annual dues of \$10.00 per unit of membership provide a regular income equivalent to the returns from an invested endowment. The fellowship itself becomes the endowment.

The present goal is 2,500 units of membership. As the student enrollment grows, more will be needed. More specifically, our goal is for every Assembly of God minister in this region to be a member; for every alumna and alumnus to be a member; for every former student to be a member, and for every Assembly of God Church to be represented by membership. A certificate of membership is issued to all members.

The LIVING ENDOWMENT FELLOWSHIP plan was endorsed by the District Council in session, and churches and pastors were encouraged to support this plan.

No Refunds will be issued for meals missed by dormitory students during holiday periods or when students are absent from the dormitories.

ROOM AND BOARD

The cost of room and board will depend upon the type of housing the student selects. The charge for room and board in the dormitories is \$35.00 per month for women and \$40.00 per month for men. A ten-dollar deposit is required of students making dormitory reservations. This deposit is applied on the dormitory rent for the last month of the school year, and if the student moves out of the dormitory before then the deposit is forfeited.

It is expected that dormitory students shall pay their dormitory rent in advance upon moving into the dormitory. Dormitory rent shall become due and payable upon the first day of each succeeding month. The school reserves the right to change the rates during the year if fluctuations in operating costs warrant it.

Many students have been able to reduce the cost by living in groups and sharing expenses. Rooms may be obtained in private homes at a cost of \$20.00 to \$35.00 per month.

INFORMATION FOR VETERANS

Since the Northwest Bible College is an educational institution approved for education or training under the Veterans Readjustment Act, Public 346, 78th Congress (G. I. Bill), veterans may receive their Christian education and training under the provisions of this Bill. Every eligible veteran will have his tuition, fees, books, and supplies paid and will receive a subsistence allowance in addition. All veterans should secure a Certificate of Eligibility and present it at the Registrar's office upon enrolling in school.

NOTICE

The Northwest Bible College reserves the right to change the rules regulating admission to, instruction in, and graduation from the school; and to change any other regulations affecting the student body which shall go into effect whenever the administration shall so determine, and shall apply not only to prospective students, but also to those presently matriculated in the school.

REQUIREMENTS FOR ADMISSION

1. **RELIGIOUS EXPERIENCE.** Applicants for admission to the Northwest Bible College must have a vital experience of salvation and be of good Christian character. Those who have not received the Baptism in the Holy Spirit will be encouraged to do so. Students are admitted only on recommendation of their pastor and a Christian friend who has a knowledge of the applicant.

2. **EDUCATION.** Applicants seeking admission must be graduates of a high school. Only a limited number of mature non-high school graduates will be admitted if they have sufficient training to warrant entrance and if they feel God's call upon their lives for Christian service. No diploma or degree will be granted to these students unless they make up their high school work.

3. **HEALTH.** It is recognized that sound physical health is essential to the satisfactory progress of a student who is expected to do a college level of work. Therefore an applicant must be able to present a physician's certificate concerning the status of his health if requested to do so.

Students are not permitted to get married during the school year. Anyone violating this rule will be dismissed immediately from the school.

It is expected that all students who are accepted into the college will comply with the rules and regulations.

APPLICATION PROCEDURE

Applicants desiring to enter the Northwest Bible College must submit an application for admission (application form is attached to this catalog). Upon receipt of the application the Registrar will write to the references for recommendation.

Applicants should request the high school from which they were graduated to send a transcript of credits to the college.

After the recommendations are received from the references, the Committee on Admissions will review the application and applicants will be notified by mail whether or not they are accepted.

Transfer students from other colleges or Bible Schools should request that a transcript from the school be sent to the Registrar of the Northwest Bible College.

Veterans who have not previously enrolled in Northwest Bible College should secure a Certificate of Eligibility and present it at the Registrar's office upon enrolling in school.

If possible, applications should be in at least one month before the opening of school.

REGISTRATION PROCEDURE

Registration dates for each quarter may be found in the school calendar. All former students and new students should report to the Registrar's office during the scheduled time to be properly registered. No one will be admitted to the class until his registration is completed.

LATE REGISTRATION

A late registration fee of one dollar per day is charged to all students who do not register before the scheduled time. Late registration fees are not paid by the Veterans' Administration. Students are not permitted to register for credit after one week of class instruction, except by special permission of the admissions committee.

CHANGE IN REGISTRATION

If a student wishes to make a change in his selection of courses, he may do so if he receives the written consent of the Registrar and the instructor concerned. A fee of fifty cents is charged for each change in registration. Students are not permitted to make a change in registration after one week of class instruction.

WITHDRAWALS

A student who wishes to withdraw from a course must first receive the written permission of the Registrar and the instructor concerned; otherwise he will be given an "E." A student who withdraws according to proper procedure during the first four weeks of the quarter will be given a "W" in the course from which he withdraws. After four weeks such a grade can be given only if the student is doing passing work at the time of withdrawal.

If a student wishes to withdraw from school, he must first consult with the Dean and then notify the Registrar. If this is impossible because of illness or an emergency, then the student must notify the Registrar within one week after leaving school. If the above procedure is not followed, the student will be given "F" in each course for which he is enrolled.

INCOMPLETES

An incomplete in a course must be made up within six weeks after the end of the quarter, or the grade will automatically become an "F." Incompletes are given only in case of absence due to illness or an emergency.

The College offers a three-year course and a four-year course in each of the above-named departments. A diploma is granted to those who satisfactorily complete the three-year course, and a Bachelor of Arts degree is conferred upon those who satisfactorily complete the four-year course.
