# General Information

The Northwest Bible College is a theological school for the training of pastors, evangelists, missionaries and Christian workers. It is operated under the supervision of the Northwest and the Montana District Councils of the Assemblies of God.

## HISTORY

A knowledge of the history of the Northwest Bible College will inspire the student to greater faith and help him to appreciate the benefits to be derived from the training offered by the school.

Prior to the opening of the school, the need for such an institution had been felt throughout the Northwest District for some time. Much prayer was offered unto God by the brethren, and several efforts were made to establish a school.

It was because of the faith and vision of the first president, Dr. Henry H. Ness, that Northwest Bible Institute came into existence. It was only a short time after he had accepted the pastorate of Hollywood Temple, now known as Calvary Temple, that the Lord laid on his heart the need for training young people for the Lord's service and gave him a vision of Spirit-filled young men and women, thoroughly trained in the Word of God, going forth to the uttermost parts of the earth proclaiming the Gospel of Christ.

Dr. Ness presented the need to the Board of Hollywood Temple and received its endorsement for housing such an institution. He conferred with Rev. Samuel Swanson, District Superintendent at that time, who requested that he present the proposition to the Northwest District Council in session at Centralia, Washington. The offer was accepted, and on October 1, 1934, Northwest Bible Institute, under the leadership of Dr. Ness, became a reality.

Eighteen students were present at school on the opening day, but by the close of the first year forty-eight had enrolled. The approval of the Lord was upon the school from the beginning, and the Holy Spirit was poured out upon the student body in an unusual way.

It was because of the sacrifice of the faculty that the school was made possible in those first few years of its existence. Many of them served with little or no salary. God rewarded their efforts, and the school grew in numbers and influence each year. At the close of the third year, when the first class was graduated, the school had an enrollment of 222. Since that time the school has made remarkable progress under God's blessing.

In the fall of 1947 a fourth-year course was added to the Institute, and the school began operating on a collegiate level. Fourteen students were graduated with a Bachelor of Arts Degree in Religious Education in the first class of 1948.

In January, 1949, Dr. Ness resigned from the school, and Rev. C. E. Butterfield, pastor of Bethany Temple in Everett, was appointed the second president. Also, an executive committee, composed of the President, the District Superintendent, and four members of the Board of Directors, was appointed to aid in the administrative affairs of the school.

Because Northwest Bible Institute had been operating on a collegiate level for the preceding two years, the Board of Directors voted at the District Convention in June, 1949, to change the name to Northwest Bible College.

At the Northwest District Convention in June, 1950, a resolution was passed which authorized the presbyters to conduct negotiations with the officials of neighboring districts, inviting them to share in the enlarging of the college into a regional Bible college. The Montana District accepted this invitation and was subsequently represented on the Board of Directors through its superintendent, secretary-treasurer and one other ordained minister at the Northwest District Convention in April, 1952. The transaction was completed to make Northwest Bible College a regional school, incorporated under a Board of Directors who are elected or appointed from the constituencies of the Northwest District Council of the Assemblies of God and the Montana District Council of the Assemblies of God. The Directorate is responsible in its administration for the policies and purposes of the respective districts represented.

Graduates of NBC are scattered to the four corners of the earth. There are more than eighty on the foreign field and hundreds in the homeland who are proclaiming the Gospel of Christ. Some have laid down their lives for the Lord; others have suffered hardships for His Name's sake. Victorious reports come from the various fields of labor of the blessing of the Lord upon their consecrated effort. Truly the vision and sacrifice of the first president and his co-workers were not in vain. God has crowned them with blessing.

The blessing of the Lord has been upon Northwest Bible College in a marked way from its inception, and thus it is with confidence that we look forward to the future knowing that "He which hath begun a good work will perform it until the day of Jesus Christ."

## OBJECTIVES

Northwest Bible College believes that it is possible to combine sound scholarship and vital Christian living. Therefore, its entire curriculum has as its objective the realization of this purpose.

The specific aims of the College are:

- (1) To offer a thorough course of instruction in God's Word to all students so that by the time of his graduation each one will have studied every book in the Bible.
- (2) To organize the curriculum of study in such a way that each student may have an introduction to the basic fields of learning, such as language, literature, history, and science, as well as courses of a more specialized nature.
- (3) To help students form wholesome intellectual, social, and spiritual attitudes that they may be better prepared for college life, for citizenship in a democracy and for effective Christian service.
- (4) To train students to become pastors and evangelists by giving them suitable courses of instruction and opportunity for actual ministry.
- (5) To foster missionary interest and to help missionary candidates prepare for their fields of calling.
- (6) To provide training in Christian education for young men and women in order that they may be properly qualified either to engage full time in Sunday school and youth work, or to return to their home churches and become active and efficient lay workers.
- (7) To provide a complete course of instruction and adequate practical experience for those who desire to develop their musical talents or to devote their lives to the ministry of sacred music.

- (8) To provide some of the training needed by those who desire to prepare for the chaplaincy, for teaching, for nursing and for other types of occupation and service.
- (9) To encourage all students to be filled with the Holy Spirit, to live consistent Christian lives, and to lead others to Christ.
- (10) To regulate the academic and spiritual life of the school in such a way that the Northwest Bible College will make a distinctive contribution to education and to the cause of Christ.

## ACCREDITATION

Northwest Bible College is endorsed by the Education Department of the General Council of the Assemblies of God, Springfield, Missouri.

It is affiliated with the Evangelical Teacher Training Association, Chicago, Illinois.

It is approved by the Department of Justice (Bureau of Immigration and Naturalization), by the Headquarters of the Selective Service System, and as an educational institution for education or training under Veterans' Readjustment Act, Public Law 346, 78th Congress (G.I. Bill).

## LOCATION

Northwest Bible College is located near beautiful Green Lake in the residential northeast section of Seattle. The quiet atmosphere and pleasant surroundings make it ideal from both the spiritual and natural standpoint. Seattle's three lakes, forty-four parks, and other scenic centers, offer varied opportunities for wholesome recreation. Nearby shopping districts provide excellent positions in many fields of labor. The University of Washington and other prominent Colleges are located in Seattle where students may take special work in addition to that which is offered by this college.

Seattle is a city of unusual beauty located on the shores of beautiful Puget Sound between the Olympic mountains on the west and the Cascades on the east. It is the Gateway to Alaska and the nearest United States port by sea or air to the Orient. Seattle is not only an ideal place to visit but a wonderful place to live. Altitude—sea level to an elevation of 450 feet. Health—one of America's healthiest cities. Climate—as near ideal as can be found anywhere. The average temperature in winter is 41 degrees, and in the summer, 63 degrees. The city's cosmopolitan area of 73.2 square miles embraces a population of about 500,000 people. Seattle is the largest city of its age in the world.

## ACTIVITIES

The Northwest Bible College has included in its program activities that will develop the student spiritually and socially.

**Chapel:** Every morning the students gather for a devotional service of prayer, praise and the reading of God's Word. Frequently outstanding Christian leaders address the student body. Daily attendance is required of all full-time students.

**Missionary Bands:** Interest in missions is stimulated by praying for, giving to, and serving in a practical way the needs of the missionaries. The meetings of the missionary bands are held once each week. Students may join the group of their choice.

**Student Service:** One night a week is set aside for a service which is conducted by the members of the student body. All students are expected to attend the service.

**Gospel Teams:** These teams give opportunity for expression of the Gospel message in a variety of services. Requests come from churches and religious organizations both in Seattle and in out-lying communities. Students teach Sunday school classes, lead song service, speak in youth meetings, preach in missions, conduct street services, and furnish vocal and instrumental music. Each student becomes a member of a Gospel team and participates in the activities of that team. Christian service credit is issued for Gospel team activity, and a minimum of three Christian service credits is required for graduation.

**Faculty Reception of New Students:** An informal gathering is held on Wednesday evening following the opening of school to welcome new students and to introduce them to the faculty and other students.

**Matriculation:** It has been traditional to hold a service on the first Friday night following registration week to formally open the new school year. Officials and ministers of the Districts, alumni, and friends of the school join with the students in this special service.

**All-School Banquet:** One evening in the spring of the year is set aside for this special gathering. All the students and the faculty and staff members enjoy this time of spiritual refreshing and social fellowship.

**All-School Picnic:** Another annual affair which is attended by the faculty and students is the all-school picnic which is held one Friday during the spring quarter.

**Sports:** Gymnasium facilities and athletic fields are available to the students where they may participate in many types of sports and physical culture. Students should bring their own physical education clothing.

## EQUIPMENT

Educational equipment of the college includes a recording machine, two record players, several musical instruments, such as bass viol, sousaphone, baritone, drums, and several pianos, a lantern-slide projector, a miniature-slide and filmstrip projector, and a 16mm. Bell and Howell movie projector. The recorder is valuable in speech and language classes; the record players are used in speech courses, in storytelling training, in language classes, and in music instruction. The projectors contribute to the visual aid course, science groups, and speech sessions. They are most frequently used in presenting the peoples, land, and needs of mission fields. The musical instruments are available to students enrolled in the orchestra.

The college also owns a 30-passenger bus. It is used to transport the choir and orchestra to their various engagements, to carry students to assignments in downtown missions and other Gospel services, and to provide a ready and inexpensive means of transportation for outings and other social activities of the college.

## BOOKSTORE

The Northwest Bible and Bookstore, which is owned and operated by the College is located in the administration building. It handles textbooks, Bibles, commentaries, concordances, dictionaries, and other books of value in building a Christian worker's library. Students are given a discount on most book purchases. The bookstore also sells school and stationery supplies, Gospel recordings and songbooks and college souvenirs.

## LIBRARY

The library is located in an attractive, well-lighted room furnished with oak tables and posture chairs. At the present time the library contains 5,500 volumes, classified according to the Dewey Decimal System. In addition to these, there is a vertical file which contains pamphlets and clippings on many subjects. Nearly 50 selected periodicals are received regularly. To aid workers in child evangelism and Sunday school classes, the library has a visual aid file of object lessons, flash-card and flannelgraph stories. Provision is made for the loan of audio-visual aid equipment and for the use of language, music, and story-telling records by students in these various departments.

In addition to the college library, students have ready access to the Green Lake Branch of the Seattle Public Library, which is located just a few blocks away and which contains 20,000 volumes; the University of Washington Library, 727,000; the Seattle Public Library, 680,000.

## PUBLICATIONS

The *COURIER* is published monthly by the student body under the direction of the instructor in Journalism. It is given to the students and faculty members and is mailed to hundreds of alumni, ministers, and other friends of the college. The *COURIER* presents a well-rounded picture of the academic, social, and spiritual life of the school. It contains news of chapel services, Gospel Team trips, student activities and many other items of interest.

The *KARISMA* is the college annual, published by a staff chosen by the Student Council. It is a graphic presentation of the whole of college life—the dormitories, the classes, the varied activities, and the members of the student body.

## ALUMNI

**Membership:** All graduates of the College and all students who have completed at least one year (provided their class has been graduated) together with faculty and staff members who have served the school for two years or longer shall constitute the regular membership of the Alumni Association. ### THE LIVING ENDOWMENT FELLOWSHIP

To supplement the income of the school and to help keep the cost of tuition down, a program known as the LIVING ENDOWMENT FELLOWSHIP was launched in the spring of 1950.

THE LIVING ENDOWMENT FELLOWSHIP is composed of a group of persons interested in Northwest Bible College who propose to contribute regularly to the College. The annual dues of \$10.00 per unit of membership provide a regular income equivalent to the returns from an invested endowment. The fellowship itself becomes the endowment.

The present goal is 2,500 units of membership. As the student enrollment grows, more will be needed. More specifically, our goal is for every Assembly of God minister in this region to be a member; for every alumna and alumnus to be a member; for every former student to be a member, and for every Assembly of God Church to be represented by membership. A certificate of membership is issued to all members.

The LIVING ENDOWMENT FELLOWSHIP plan was endorsed by the District Council in session, and churches and pastors were encouraged to support this plan.

Students who withdraw within the first six weeks after instruction begins will be refunded one-half of their tuition. After six weeks no tuition will be refunded. All fees are non-refundable. No refunds will be issued for meals missed by dormitory students during holiday periods or when students are absent from the dormitories.

### ROOM AND BOARD

The cost of room and board will depend upon the type of housing the student selects. The charge for room and board in the dormitories is \$40.00 per month for women and \$45.00 per month for men. To make the low cost of board and room possible, each resident is required to work at least one-half hour per day in the dormitories. Work assignments are made by the house mother as best fits the daily schedule of the dormitory.

A ten-dollar deposit is required of students making dormitory reservations. This deposit is applied on the dormitory rent for the last month of the school year, and if the student moves out of the dormitory before then, the deposit is forfeited.

---

\*The student fee is charged once per year upon entrance into school, and covers such all-school extra-curricular activities as the gymnasium fee, the school publications including the COURIER and part of the cost of the yearbook, and the all-school socials and picnics.

It is expected that dormitory students shall pay their dormitory rent in advance upon moving into the dormitory. Dormitory rent shall become due and payable upon the first day of each succeeding month. The school reserves the right to change the rates during the year if fluctuation in operating costs warrant it.

Students who are unable to obtain rooms in the dormitory may rent rooms or apartments in the vicinity at varying costs. These rooms may be located by inquiring of the Dean of Women. All outside housing, whether secured through the school or independently, is subject to the approval of the Dean of Women.

### INFORMATION FOR VETERANS

Since the Northwest Bible College is an educational institution approved for education or training under the Veterans' Readjustment Act, Public Law 346, 78th Congress (G.I. Bill), veterans may receive their Christian education and training under the provisions of the Bill. Every eligible veteran will have his tuition, fees, books and supplies paid, and will receive a subsistence allowance in addition. All veterans should secure a Certificate of Eligibility and present it at the Registrar's office upon enrolling in school.

### WORK OPPORTUNITIES

Seattle provides ample opportunity for students to obtain part-time employment while attending school. The Dean of Women assists students in securing suitable places of employment.

### REGULAR EXPENSES FOR ONE QUARTER

The following is an estimate of the total regular expenses for one quarter at Northwest Bible College. There are three quarters in the school year.

Registration fee -----\$ 10.00	Registration fee -----\$10.00
Tuition ----- 65.00	Tuition ----- 65.00
*Board and Room ----- 135.00	
\$210.00	\$75.00

The approximate minimum cost of books and essential supplies will be \$30.00 to \$50.00 per year, the major part of which will be in the autumn quarter.

In special cases where the student is unable to pay all of his tuition and fees, which are due at the beginning of each quarter, arrangements may be made to pay a portion on a short-time note which is payable at a bank. No grade cards, diploma or transcript of record are issued to students who have unpaid accounts with the school.

The tuition and fees charged each student cover only a part of the operational costs of the College. The remaining part of the costs is made up from gifts given by interested friends, parents, churches, districts, and members of the Living Endowment Fellowship. The contributions made from these sources are a vital factor in the operation of Northwest Bible College.

---

\*Dormitory rates for women are \$15.00 per quarter less than this figure.

# Academic Information

The Northwest Bible College reserves the right to change the rules regulating admission to, instruction in, and graduation from the school; and to change any other regulations affecting the student body which shall go into effect whenever the administration shall so determine, and shall apply not only to prospective students, but also to those presently matriculated in the school.

## REQUIREMENTS FOR ADMISSION

1. **RELIGIOUS EXPERIENCE.** Applicants for admission to the Northwest Bible College must have a vital experience of salvation and be of good Christian character. Those who have not received the Baptism in the Holy Spirit will be encouraged to do so. Students are admitted only on recommendation of their pastor and a Christian friend who has a knowledge of the applicant.

2. **EDUCATION.** Applicants seeking admission must be graduates of a high school. Only a limited number of mature non-high school graduates will be admitted if they have sufficient training to warrant entrance and if they feel God's call upon their lives for Christian service. No diploma or degree will be granted to these students unless they make up their high school work.

3. **HEALTH.** It is recognized that sound physical health is essential to the satisfactory progress of a student who is expected to do a college level of work. Therefore an applicant must be able to present a physician's certificate concerning the status of his health if requested to do so.

Students are not permitted to get married during the school year. Anyone violating this rule will be dismissed immediately from the school.

It is expected that all students who are accepted into the College will comply with the rules and regulations.

## APPLICATION PROCEDURE

Applicants desiring to enter the Northwest Bible College must submit an application for admission (application form is attached to this catalog). Upon receipt of the application the Registrar will write to the references for recommendation.

A transcript of the applicant's high school record should be sent at the time the application is submitted. It is required that a high school transcript be on file in the Registrar's office before any final notice of approval can be issued.

After the recommendations are received from the references, the Committee on Admissions will review the application and applicants will be notified by mail whether or not they are accepted.

Students transferring from other Bible schools or colleges should present a transcript of record showing the work they have completed so that it may be examined for possible transfer credit by the Academic Affairs Committee. The high school record of transferees is additionally required unless the high school credits appear on the above-mentioned transcript.

Veterans who have not previously enrolled in Northwest Bible College should secure a Certificate of Eligibility and present it at the Registrar's office upon enrolling in school.

If possible, applications should be in at least one month before the opening of school.

## **REGISTRATION PROCEDURE**

Registration dates for each quarter may be found in the school calendar. All former students and new students should report to the Registrar's office during the scheduled time to be properly registered. No one will be admitted to the class until his registration is completed.

## **FRESHMAN EXAMINATIONS**

All Freshman are required to take a series of examinations during registration week, the results of which will be made available to advisers who will assist the students in preparing their courses of study and in making plans to serve the Lord in His great vineyard.

The examinations are given for the purpose of appraising the student's scholastic aptitude, his proficiency in the active and passive uses of the English language, and his personality traits, insofar as they relate to his emotional adjustment to Bible college and to life in general.

Entering Freshmen are required, therefore, to assemble in the Chapel at 9:00 a.m., Wednesday, September 3, for a period of devotion and the first of the series of tests.

## **LATE REGISTRATION**

A late registration fee of one dollar per day is charged to all students who do not register during the scheduled time. Late registration fees are not paid by the Veterans' Administration. Students are not permitted to register for credit after one week of class instruction, except by special permission of the Admissions Committee.

## **CHANGE IN REGISTRATION**

If a student wishes to make a change in his selection of courses, he may do so if he receives the written consent of the Registrar and the instructor concerned. A fee of fifty cents is charged for each change in registration. Students are not permitted to make a change in registration after one week of class instruction.

## **WITHDRAWALS**

A student who wishes to withdraw from a course must first receive the written permission of the Registrar and the instructor concerned; otherwise he will be given an "F." A student who withdraws according to proper procedure during the first four weeks of the quarter will be given a "W" in the course from which he withdraws. After four weeks such a grade can be given only if the student is doing passing work at the time of withdrawal.

If a student wishes to withdraw from school, he must first secure the proper withdrawal form from the Registrar, complete it, and then consult with the Dean after which he is to return the signed withdrawal slip to the Registrar's office. If this is impossible because of illness or an emergency, then the student must notify the Registrar within one week after leaving school. If the above procedure is not followed, the student will be given "F" in each course for which he is enrolled.

## **INCOMPLETES**

An incomplete in a course must be made up within six weeks after the end of the quarter, or the grade will automatically become an "F." Incompletes are usually given only in case of absence due to illness or an emergency.
