# DISCOVER NEW WORLDS OF LEARNING

---

**“Teaching Northwest College students has been my life for 35 years. I’ve always sought to develop in my students a whole-hearted commitment to Jesus Christ and to ‘rightly handling the word of truth.’”**

**Dr. Dan Pecota**  
Theology, Greek, and Bible

The concept of education at Northwest College is distinctively Christian. Each program provides you with more than knowledge of a field of study; it helps you develop morally, spiritually, and intellectually. Your education at **NORTHWEST** will stimulate aesthetic awareness and create an understanding of enduring values. You will be provided with organized fields of knowledge which are balanced, skillfully taught, and useful in today's changing world.

At Northwest College student/professor relationships are special. You will study with faculty who are not only learned in their fields, but who are friendly and readily available. They share with you their expertise and their faith. They'll teach you, pray with you, and challenge you to reach your full potential in life.

You'll choose from over 40 areas of study, all accredited by the Northwest Association of Schools and Colleges and the American Association of Bible Colleges. Northwest College is also a member of the Christian College Coalition, giving NC recognition and interaction among the finest Christian Colleges across the nation.

THE TWO OF US WILL NEVER BE  
FRIENDS  
FOREVER

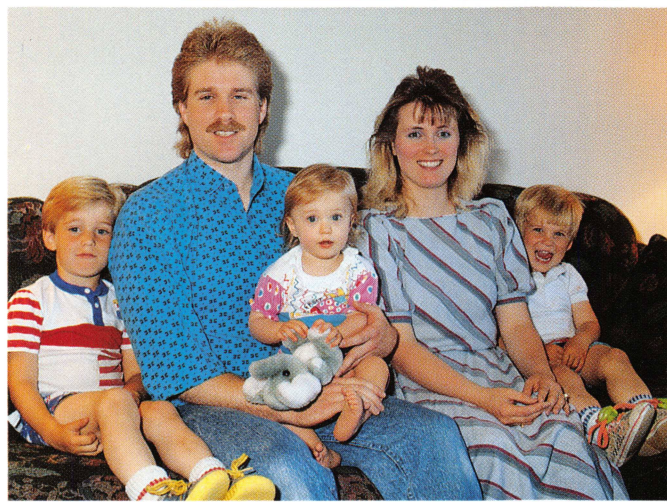

THE  
BIBLE

Dear Mom and Dad,  
I don't quite know  
where to begin this letter,  
as so much has happened  
this past week that I want  
to tell you about.  
First, I'll start with my  
floor, it's 500. I love it!  
It seems that suddenly we've  
gained the sisters we wanted  
— all 30 of them! We're a  
mixture of all ages and personality  
types, but with our common  
love of Christ and our desire  
to serve Him, we've become best  
of friends.

Jennifer
