COLLEGE***

# DISCOVER DIRECTION

**U**nique...best describes a Northwest College education. Enter the campus, located across Lake Washington from Seattle, and a whole new world awaits you. Look to the west, across the Seattle skyline, to the snow-capped Olympic mountains and become aware of the wonderful opportunities of life — Northwest College can prepare you for these and so much more.

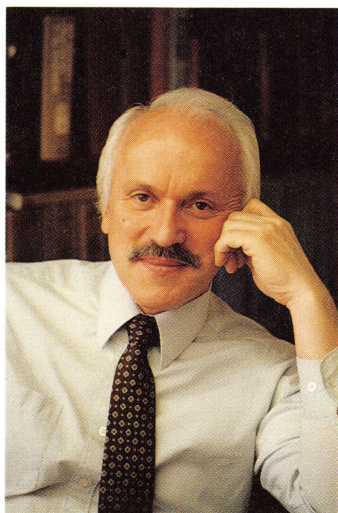

# FOR YOUR LIFE

Look around at the faces of your fellow students and see people who will share their lives with you and expand your world. Walk through the campus from the residence halls to the student center, the chapel and the athletic facilities, the library and the classrooms. This is it, a college community committed to discovery, development, and discipleship.

# DISCOVER NEW WORLDS OF LEARNING

---

**"Teaching Northwest College students has been my life for 33 years. I've always sought to develop in my students a whole-hearted commitment to Jesus Christ and to 'rightly handling the word of truth'."**

Dr. Dan Pecota  
Theology, Greek, and Bible

The concept of education at Northwest College is distinctly Christian. Each program provides you with more than knowledge of a field of study; they help you develop morally, spiritually and intellectually. Your education at Northwest encourages aesthetic awareness and creates an understanding of enduring values. It will provide you with knowledge that is balanced and useful.

At Northwest College student/professor relationships are special. You will study with faculty who are not only learned in their fields, but who are readily available. They share with you their expertise, and their faith. They'll pray with you and challenge you to reach your full potential. You'll be able to choose from over 40 areas of study, all accredited by the **Northwest Association of Schools and Colleges** and the **American Association of Bible Colleges**.

**"The Behavioral Science program, under Dr. Bob Parlotz, has equipped me with knowledge and understanding that permits me to have a positive impact on the lives of people facing trauma or broken relationships."**

# DISCOVER SPIRITUAL

At Northwest your spiritual life, personal growth and ministry development are essential parts of your daily experience. SERVICE is vital to personal growth. Even if you have never ministered before, you will find positive ways to share your faith and reach out to others. Student Ministries provides opportunity to touch the lives of people. You can make a difference in your world...and enhance your

life in the process.

You can work with the disabled, teens, prisoners, homeless, street people, disadvantaged children or other human service needs in more than 30 different programs.

Develop your music or acting abilities through a ministry team or touring choir, and minister to thousands of people throughout the Pacific Northwest, the Western United States, and Canada

Explore your special interests in overseas or stateside missions. You can minister alongside fellow students in Hong Kong or China with Northwest College's *Pacific Rim Centre for Cross Cultural Studies*. You may station yourself in the inner-city, or help establish a church in a rural or suburban community.

# LIFE AND MINISTRY

*When you come to  
Northwest College,  
you'll discover what  
it means to  
give...and you'll  
experience the  
satisfaction of  
seeing lives  
changed.*

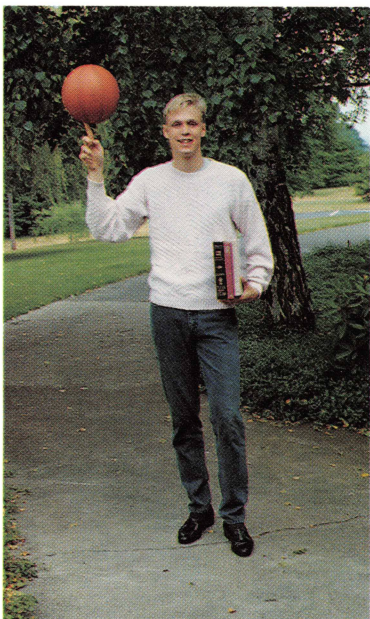

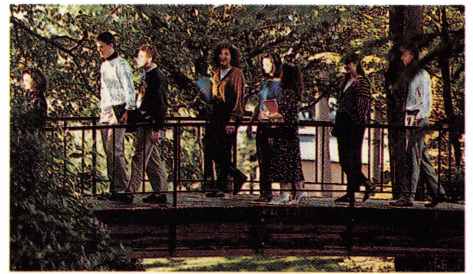

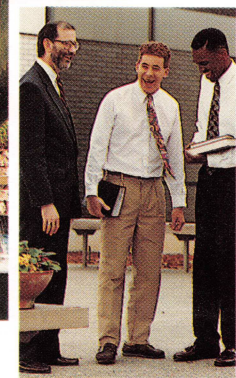

" I went to Hong Kong and mainland China with the purpose of learning all I could about the Chinese culture. Instead, my heart was broken over and over by the needs of these fascinating people. My desire is that God will use me to touch their lives."

# DISCOVER CAMPUS LIFE

*What will you do at a new college with new friends? Plenty! At Northwest College there are many choices. Campus clubs, intramurals, varsity athletics, and campus social functions can be part of your extra-curricular activities.*

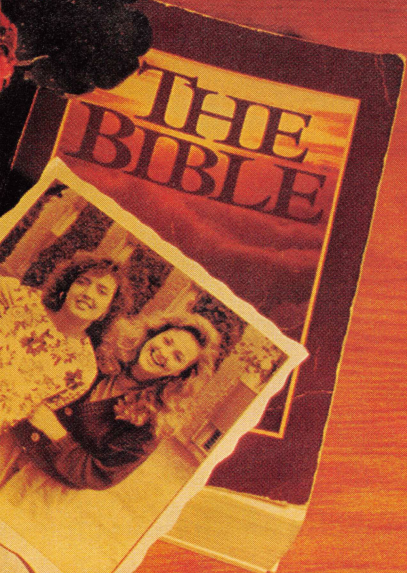

Excellence is part of campus life. For three years the women's varsity basketball team has won the NCCAA National Championship while the men's varsity basketball team has played two consecutive years in the National Championship tournament. Other athletic programs include soccer and volleyball. Intramural and recreational activities such as football, basketball, tennis, volleyball and outdoor leisure sports are available. Drama, KCNC Radio (campus station) and a variety of social functions make your experience at Northwest College rich and varied.

At Northwest College you'll find a well groomed 60 acre campus and modern educational facilities. You'll discover a superb library; an inspirational chapel; computer and music labs; comfortable lecture halls and classrooms. You'll enjoy the Student Center, which houses the bookstore, a coffee shop, mail center, student lounge and student service area. Northwest is continually improving and expanding the athletic facilities to help you develop physically. All this allows you to study, worship, exercise and fellowship at what many describe as one of the most beautiful campuses in the United States.

Dear Mom and Dad,

I don't quite know where to begin this letter, as so much has happened this past week that I want to tell you about.

First, I'll start with my floor, Price 500. I love it! It seems that suddenly I've joined the sisters I've wanted -- all 30 of them! We're a mixture of all ages and personality types, but with our common love of Christ and our desire to serve Him, we've become best of friends.

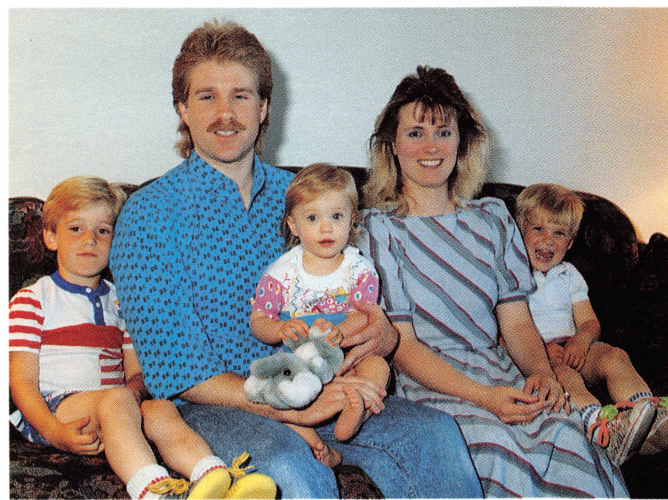

— Jennifer

# DISCOVER LIFETIME FRIENDS

For single students residence life provides new friends, recreation, and an opportunity for counselling and encouragement. Your personal life will forever be enriched as you interact with others sharing common interests and values.

Married students find *The Firs* a wonderful living environment. The breathtaking view from these apartments takes in Lake Washington, the cities of Bellevue, Kirkland and Seattle - as well as the beautiful Olympic Mountains. There are one and two bedroom apartments available at rental amounts well below the average rate in the area. Local shopping and food markets are nearby. The Married Student Association provides fellowship opportunities for married students and their families at Northwest College.

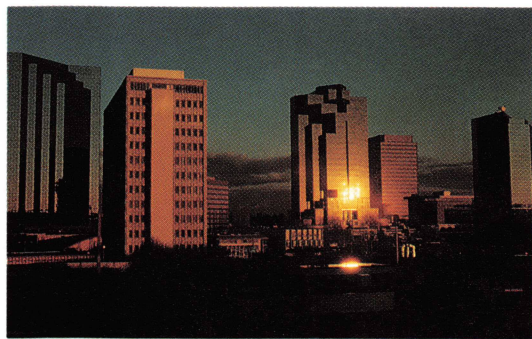

# DISCOVER THE PACIFIC NORTHWEST

Metropolitan Seattle and the Puget Sound offer you the opportunity to discover God's handiwork. The Pacific Northwest is spectacular! Explore the Olympic Peninsula, San Juan Islands, and Cascade Mountains including Mt. Rainier and Mt. Baker.
