Festival Piece on “St. Anne”

CONGREGATION:

O God, our help in ages past, our hope for years to come.
Our shelter from the stormy blast, and our eternal home.

CHOIR:

Before the hills in order stood or earth received her frame,
From everlasting Thou art God, to endless years the same.

A thousand ages in Thy sight are like an evening gone,
Short as the watch that ends the night, before the rising sun.

Time like an ever-rolling stream bears all its years away,
They fly forgotten as a dream dies at the opening day.

CONGREGATION:

O God, our help in ages past, our hope for years to come.
Be Thou our guard while life shall last, and our eternal home.

Praise to the Lord, the Almighty

– Arranged by Walter Pelz

Praise to the Lord, the Almighty, the King of creation!
O my soul, praise Him, for He is thy health and salvation.
All ye who hear, now to His temple draw near;
Join me in glad adoration!

Praise to the Lord! Who o'er all things so wondrously reigneth,
Shelter thee under His wings, yea, so gently sustaineth.
Hast thou not seen how thy desires e'er have been
Granted in what He ordaineth?

Praise to the Lord! Who doth prosper thy work and defend thee.
Surely His goodness and mercy here daily attend thee.
Ponder anew what the Almighty can do,
If with His love He befriend thee.

Praise to the Lord! Oh, let all that is in me adore Him!
All that hath life and breath, come now with praises before Him!
Let the Amen sound from His people again;
Gladly for aye we adore Him.

Let God's Light shine from the great Northwest;

Bring hope from God above.

Lord, bless Northwest University,
Head, heart and hand set free.
Lord, send us out and lead us on to promised victory!

The Fee building on campus was named in honor of Donald Fee.

Dr. Fee's love of teaching transported him to Southern California College, Wheaton College in Illinois, and Gordon-Conwell Theological Seminary. He currently holds the rank of Professor Emeritus at Regent College in Vancouver, B.C.

Dr. Fee is a New Testament scholar and one of the foremost experts in the area of pneumatology and textual criticism of the New Testament. The University Seal

The Northwest University seal includes these elements:

- An open Bible, for our commitment to God's Word;
- The lamp of knowledge, for our tradition of scholarship;
- A dove, for our reliance on the Holy Spirit's leading and power;
- A cross, for the centrality of Christ in all we do;
- A braid, for the bonds of Christian fellowship;
- The year 1934, for the year of Northwest's founding; and
- The Latin motto, *Vocationem Dei Gerite*, which is translated "carry, carry out, and be characterized by God's calling." This phrase reconfirms the University's motto: Carry the Call, with heart, head, and hand.

The Pageantry of Academic Regalia Northwest University History

Traditional academic attire originated in the middle ages as the regular garb of scholars. In the unheated buildings and lecture halls of the day, the robes, hoods and caps were very practical.

The **GOWN** was useful outerwear, and it served to equalize class and wealth distinctions in the community of scholars. Today, in the U.S., the gown is customarily black, though it may be one of the colors of the school. Bachelor gowns are simple and are worn closed, while masters' gowns are frequently worn open at the front. The doctoral gown commonly has trim down the front and three velvet bars on the sleeves, in black or in the color of the degree field.

The **HOOD** originated as a practical head covering but today it is strictly ceremonial. It is commonly worn by those holding master's or doctoral degrees and differs in length according to the degree. Hoods are lined with the colors of the conferring institution, and trimmed with an edging in the color of the degree field. The act of "hooding" is part of the traditional ceremony conferring advanced degrees.

The "Oxford" **CAP** or **MORTARBOARD** possibly developed as a ceremonial combination of a close-fitting indoor cap and a soft square-topped outdoor cap. (Some schools use a type of beret or tam for doctoral degrees.)

The **TASSEL** is customarily worn on the left by degree holders, thus bachelor's degree candidates wear the tassel on the right until the symbolic "moving of the tassel" at a climactic point in the graduation ceremony.

Degree fields are identifiable from this commonly used color scheme: Business—*Drab*, Economics—*Copper*, Education—*Light Blue*, Fine Arts—*Brown*, Humanities—*White*, Journalism—*Crimson*, Law—*Purple*, Library Science—*Lemon*, Medicine—*Green*, Music—*Pink*, Nursing—*Salmon*, Oratory (Speech)—*Silver Gray*, Philosophy—*Dark Blue*, Physical Education—*Sage Green*, Science—*Golden Yellow*, Social Work—*Citron*, Theology—*Scarlet*.

The **MACE** is the symbol of authority of the Faculty and is carried in the Commencement Processional by the official representative of the Faculty, the Faculty Marshal. The central emblem of the mace is the University seal.

Northwest University was founded by the Northwest District Council of the Assemblies of God and opened to students on October 1, 1934. The District Presbytery appointed Dr. Henry H. Ness to be the first president. Northwest was housed in the facilities of Hollywood Temple, Seattle, Washington, for the first twenty-five years of its existence. Dr. C.E. Butterfield succeeded Dr. Ness in 1949, and Dr. D.V. Hurst assumed the presidency in 1966. In 1990 he was succeeded by Dr. Dennis A. Davis, who served until 1998. Dr. Don Argue served as president from 1998 to 2007 and currently serves as Chancellor. Dr. Joseph Castleberry was inaugurated in the fall of 2007 as the sixth president.

Originally known as Northwest Bible Institute, its name was changed to Northwest Bible College in 1949 and to Northwest College of the Assemblies of God in 1962. In January 2005, Northwest College officially became Northwest University.

Academically, Northwest progressed from a three-year to a four-year curriculum in 1948, and in 1955 a liberal arts division was organized. Regional accreditation was obtained by 1973 with the Northwest Commission on Colleges and Universities. Now, as a university, Northwest grants both undergraduate and graduate degrees.

In 1958, Northwest secured a new thirty-five acre campus in Kirkland, in the greater metropolitan area of Seattle. Since then 21 acres have been added to comprise the current fifty-six acre campus. Located at 108th Avenue NE and NE 53rd Street, just ten miles from downtown Seattle, the campus is an ideal setting for study, recreation, and inspiration. The campus is near area corporations, resulting in employment opportunities for students and alumni.

In 1992, Northwest University joined the Council for Christian Colleges and Universities, an international association of more than 181 Christ-centered, liberal arts and sciences colleges, universities, and affiliate institutions in 24 countries.

Over the years, the University's alumni have engaged in full-time Christian service in professional, business, or vocational occupations in fulfillment of Northwest University's commitment to Carry the Call, with heart, head, and hand.
