

Dear Friends,

What an exciting week it has been! In chapel on Wednesday, we heard 2 incredible messages from our senior speakers and on Monday night we witnessed the water baptisms of 20 students who wanted to publically declare their faith and commitment to Jesus! Moments like these are pure evidence that God is at work in our lives!

### **Next week in Chapel**

On Monday, we have the privilege of hearing from Vice President of Student Development, Paul Banas who will bring the word from Acts 13:1-14:28. Wednesday is our Awards and Honors Chapel and Friday, President Castleberry will share from Acts 15:1-35.

### **Baptisms**

The water baptisms were incredible to witness and be a part of! We are so proud of those of you who took your faith to a new level and are excited for the great things ahead! If you were one of those 20 students who were baptized, please stop by the Campus Ministries office next week to pick up a baptism certificate. This is a great document to help you remember the public statement that you made in front of your friends.

### **Prayer**

Please continue to pray for the needs of our friends and community. There is such power in prayer and I believe that when we intercede for others, God begins working in unimaginable ways!

Have a wonderful time at Evening tonight!
