

Dear Friends,

Happy Veterans Day! There are a handful of staff and faculty members in our own community that served and it is a joy to honor them today! I pray that you have a relaxing day off from classes -- below are some things to look forward to this week!

This Week in Chapel

Monday Pursuit | In honor of Veterans Day, there will not be Pursuit tonight.

Wednesday | Dr. Castleberry will be joining us in Chapel and we will have the opportunity to honor some of our NU Veterans.

Friday | I will be speaking and we will be participating in communion together.

Scripture Focus of the Week

"On the last and greatest day of the festival, Jesus stood and said in a loud voice, "Let anyone who is thirsty come to me and drink. Whoever believes in me, as Scripture has said, rivers of living water will flow from within them." – John 7:37-38

REACH Global Practicum

This week look for your REACH Leaders before and after Chapel services and hanging out in the Caf on Wednesday and Friday to connect with you and answer your questions regarding 2014 trips. There they will have a trip overview and an application ready for you!

Chic Chat & Boyz II Men

This Sunday at 7PM we will again be hosting two separate events -- Chic Chat for the ladies and Boyz II Men for the gentlemen! The guys will meeting in HSC 104 at 7:00PM on Sunday and the ladies will be meeting in the Chapel at 7:00PM. Come on out for a time of honest conversation, donuts, and coffee!

Offering

We have an opportunity every Friday to give to help support local missions in Kirkland and Seattle as well as donate to the fight against human trafficking. If you feel compelled to give but are not in Chapel, feel free to donate [here](#). We have raised \$4,738.00 and still have five more opportunities to give before the end of the semester.

NU GIVES | November 22

NUSG and NUMA are partnering with World Vision and the Union Gospel Mission for a Thanksgiving outreach for an initiative, called "NU Gives," which will help provide basic personal hygiene necessities for those in our community affected by poverty and homelessness. Each Hygiene Kit costs \$16 to build and we've set a goal for each student to raise \$32. We encourage students to reach out to family, friends, coworkers, and others to partner with us. Students can direct these individuals to donate at <http://give.nusgov.com>, which is a redirect to the World Vision giving site. Cash or check donations are also accepted at the university cashier. Our NU community will build Hygiene Kits during chapel on November 22nd. That evening, students will have the opportunity to go to Seattle and give those very kits to the people who need them. For more information, visit <http://nusgov.com>.

Have a great week!

Pastor Phil
