

As I reflect on the week we had together last week, I cannot help but be so thankful for the community that we have here. We have already heard reports of healings, and people being filled with a new hope and joy! Attached are some of the prayer requests from this last week and some of our praise reports. The Lord is truly doing something fresh on this campus and I am excited for what is to come!!

As a reminder, a prayer/praise/comment line is always available to you as you go throughout your day. We have a team consistently checking it and responding as necessary: 206-486-4656

Scripture Focus: "I say to the LORD, "You are my Lord; apart from you I have no good thing." Psalm 16:2

Or if you want to lead a trip, but do not know where to go, drop by the Campus Ministries office to look at our list of pre-approved trips!
