## Music Education Special Event

The Music Department's Foundations of Education Class welcomed Seattle Public School (SPS) Executive Director Phil Brockman to campus recently. Phil told students that the field of music education is growing, saying "music programs are the heart and soul of the school." He also mentioned that his strong advocacy for music programs in schools is based on his knowledge that every successful school has a successful music program. Our future music educators were encouraged by Phil's insights.

This semester's student count shows 23 students involved in the music education program at Northwest.

## VOTE!

As of October 25, registered voters living at Northwest University have mailed in only 16 ballots.

That means that we are at the bottom of all 174 precincts in the 48<sup>th</sup> Congressional District.

How can that be? Don't be a Vote Slacker. Mail in your ballot today!

## Green on the Go

For the second year in a row, the Caf will be participating in a pilot "to go" program called Green on the Go. This has replaced our previous Styrofoam take out boxes and will be open to all students, faculty, and staff. For more information on how it works, visit the Caf [online](#).

## Readings and Reflections

Readings and Reflections is a yearly event hosted by the library. Each hour long session is open to the public, and a speaker is invited to help facilitate a discussion about a particular current event. This year the speaker is professor Tim Lucas, talking about entrepreneurialism in the Christian university. Join us on November 4 at 3:30p for this fascinating discussion!

## Calendar Items

### October

- 28: Talent Show, 7:30p
- 29: Women's Soccer, 2p
- 29: Women's Volleyball, 7p
