## Tom's Shoeless Day

For every pair of shoes purchased from [TOMS Shoes](#), a pair is given to a child in need. On Wednesday, November 10, NU students will help raise awareness to the fact that millions around the world do not have shoes, and because of this have sometimes fatal diseases that could have been prevented. At 4p on Wednesday, meet in the Perch and from there take a walk down 108th without shoes holding signs with stats and informing our community of this cause. There will be a prayer time after the walk.

NU students are also partnering with Kaitlyn Clouse's SHOES and running a shoe drive from November 5-10. Shoes will be collected Friday, Monday, and Wednesday after first and second chapel, and all shoes donated will go directly to charity.

## Change in Housing?

Semester break is when room/floor/roommate changes are approved. In order to make any change to your current housing situation, a completed [housing modification form](#) should be submitted to the housing office. If you plan on cancelling your housing or not returning to the university and you want your deposit back, we should receive this form by December 1 as well.

Keep in mind that any change that involves moving out of an apartment or out of the dorms will include a maintenance building turnaround fee charge. Check out your specific housing location's housing manual for more information. They can be found [here](#).
