NU Focus Event CANCELED

The NU Focus workshop scheduled for Thursday, March 24rd, has been canceled. The faculty member who was scheduled to lead the session is unable to do so because of health reasons.

Disc Golf is (Almost) Here!

Frolf, anyone? NU's brand new 9-hole Disc Golf course is functional, but not quite final. You can still enjoy the course in the nice spring weather while the finishing touches of tee signs, maps, and par designations are being made. A temporary course map is available on [NUSG's page](#) on Eagle. Also, frolfers may checkout disc sets at the Eagle Fitness Center. Stay tuned for info about our inaugural Disc Golf Tournament in late April!

Karisma Openings

Applications are now available for the 2011-2012 Karisma Yearbook staff. Don't miss a great opportunity to earn a partial scholarship and be part of a great tradition. Karisma is a terrific way to plug into all campus activities and be part of student leadership at NU. Applications can be found on [Eagle](#) or by contacting Professor Peg Achterman at peg.achterman@northwestu.edu. Applications are due March 31.

Student Health Services Survey

All undergraduate students will be sent an email on Monday, March 28 with a link to a student health services survey. Your completion of this survey will help us evaluate and design services to better meet the health and wellness needs of our student community. No name or email addresses will be collected so your survey will be received anonymously.
