Documentary and Discussion

Join us for an NU Focus event! We'll be showing the documentary film *Bonheoffer* which will be followed by a discussion with faculty member Dr. Joshua Ziefle. Tuesday, Jan 31st, 7pm, HSC 104.

Reporting Fires

Federal law requires NU to maintain a fire log for fires that occur on our campuses. Fires that must be reported include emergency situations involving fires that necessitated a call to 9-1-1 for fire department assistance, as well as minor fires, such as a small trash can fire or a cooking fire that was easily extinguished without assistance. Fires can be reported by anyone, regardless of the individual's association with NU.

Student housing fires reported to any official at NU must be documented to Campus Security. An official is any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.

Both the fire log and the fire reporting form are available on the [Campus Security](#) website.

Reminder about Dining in the Caf

Students must have their student ID card to enter the Caf. If you've lost yours, talk to IS. Please do not remove anything from the Caf including dishes, silverware, cups, and food. If your schedule causes you to miss a meal, take advantage of the [Green on the Go Program](#). Thanks and enjoy!
