## PSBC Drive

### Will you donate blood Monday? Juice and cookies will be waiting Monday from 10:00 to 4:00...

NU will be hosting a blood drive Monday, April 16<sup>th</sup> from 10am to 4pm in front of the Pecota Building.

Every day the Puget Sound Blood Center supports hundreds of patients in our community, we wouldn't be able to do this without the help of donors like you! The Blood Center is currently helping a 37 year old women at a Seattle area hospital that had extreme complications during child birth. The doctors gave her 14 units of red blood cells and 2 units of platelets in order to help her pull through. She needed the help of 16 donors like you in our community. Please take the time on Monday and help your community through blood donation – your one unit of blood can help or save the lives of three people in our community!
