New at the Library

You asked, we answered!

Based on student feedback and just in time for Spring Break, Hurst Library would like to introduce the new Popular Fiction & Entertainment collection. This assortment includes many classic and current best-sellers, TV show seasons, award-winning films, childhood classics, and more! What you see is what you get – these are not listed in the Library Catalogue, and we will be constantly updating and adding to this collection, based on feedback and usage.

You will find these items on the main floor of the library, next to the couches. Stop by and 'check it out'!
