

IN THE LOOP | 1.17.13

Welcome Tara James, the new Health Services Director!

Tara James, B.S.N., has accepted the position of Health Services Director. She comes to us from Evergreen Hospital and is excited to bring her passion for nursing to NU. Another of her passions is studying. She has four degrees and "would be a perpetual student" if she could. The Health Services office renovations are in process with a projected completion date in mid-February at which time Health Services will be open for student appointments. The days and hours of operation will be posted in an upcoming In The Loop.
