IEW

By choosing to be here at NU, many people in our community are far away from their homes, cultures, and loved ones. These letters to family and friends display their feelings, experiences, and perspectives of being away from home.

On display from 11-5 to 11-9 in Argue HSC Fireside

Letter Writing & Hanging: 11-5, 3 P.M.

We remember the many immigrants to the US who had only letters in the mail as communication with their loved ones back home.

We recognize that though many of us come from different backgrounds, we share the experience of connection of family and friends.

We appreciate the courage of those in our community who have chosen to travel and live in an unfamiliar culture.
