

Dear Friends,

I hope your week is off to a good start. I must admit that I am still in shock after the big Seahawk game on Sunday, but I am still a believer. Russel Willson is an incredible leader, and I am so impressed with him on many levels. I am already looking forward to next season! We had some wonderful chapel services last week if you missed any of them you can click [HERE](#).

Don't forget our **Prayer, Praise or Comment** text number. We are here for you whether that means a **prayer, a celebration**, or simply to **listen**. Text us at **206-486-4656**.

Scripture Focus of the Week: "God's Law was given so that all people could see how sinful they were. But as people sinned more and more, God's wonderful grace became more abundant." - Romans 5:20

I love the verses that NUMA picks each week; they are a great reflection of our spiritual journey and the great grace that our loving Jesus gives us every day. Our prayer is to see our campus grow in faith and love God more every day. Please pray with us to see that happen!

Sexual Harassment Week:

In light of the sexual Harassment focus we had at the start of the semester, I came across some research regarding pornography. I thought it was very insightful. I attached it in case you would like to read it.
