

Dear Friends,

I trust that you all are enjoying this amazing sunshine that we have been having. Last week was an incredible time together at Pursuit Conference. If you were unable to be there, or know of someone who may be encouraged by one of the sessions, the MP3's are now posted [HERE](#).

We would love to hear what Jesus did in your life at Pursuit Conference! Feel free to use our Prayer/Praise text line 206-486-4656 to share your story with us – we would love to compile the testimonies to send out in next week's Look Ahead.

Scripture Focus of the Week: "Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland." Isaiah 43:18-19
