Dear NU Community,

Welcome to a new week. Last week was so inspiring! We heard Dr. Castleberry's personal journey through which the Lord restored his faith. We engaged with Dr. Frank Turek as he addressed God's existence, truth, miracles, and the New Testament. The campus was buzzing with all the programs and activities that are now in full-swing. I encourage you to stop, take a breath, and thank God for your blessings. If there are any areas of anxiety, brokenness, disappointment, or discontent in your heart, ask God to help you give them to Him so He can fill you with His hope, healing, and peace.

Attached are some of the prayer requests sent to the Campus Ministries prayer number (206.486.4656) this week. Please take some time to pray for your peers! Interceding for and supporting one another is part of what makes NU a "university with the soul of a church".

Scripture of the Week: "Yet now [God] has reconciled you to Himself through the death of Christ in His physical body. As a result, He has brought you into His own presence, and you are holy and blameless as you stand before Him without a single fault." (from Colossians 1, NLT)
