

Dear NU Community,

First of all, I want to thank you all for your generosity these past few weeks. In our Friday chapels, we have been raising funds to help with the European refugee crisis through [Convoy of Hope](#). You gave **over \$1000** in just three weeks! We know this gift will be put to good use and will bless our fellow human beings in need. Again, thank you!!

Last week was an amazing week with START Conference, turning our hearts toward outreach, missions, and church-planting. If God started something your heart and you would like continued prayer about it, text **206.486.4656** and we will pray for you. Also, you can pick up **NU Mission trip applications** in the Campus Ministries office if you'd like to go on one of our student-led trips this summer!

Scripture of the Week: "We can rejoice, too, when we run into problems and trials, for we know that they help us develop endurance. And endurance develops strength of character, and character strengthens our confident hope of salvation." (*Romans 5:3-4, NLT*)

Our next chapel series is **VITAL**, focusing on how Jesus' finished work has made it possible for us to have spiritual vitality!
