

Dear NU Community,

Last week, God drew us to Himself in loving and transforming ways through Krist Wilde, David Perkins, and Jon Egan during PURSUIT Conference. I am overflowing with gratitude that He has stirred us to be a worshipping and praying community more than ever. I am dwelling on David Perkin's reminder to us that *no prayer is too weak or insignificant to be heard and counted by God*. I encourage you to continue bringing to Him everything on your heart and in your life. I am confident that at the end of all days, we will see what the Lord's plans and purposes were, we will understand how He used our prayers to accomplish His will, and we will know that He always heard and responded to us in love.

It is our privilege and honor to pray for you in Campus Ministries and to see you all pray for one another. Thank you for entrusting one another with your prayer needs, which you can text at any time to **206.486.4656**.

In our next chapel series, we are diving deep into life in the Holy Spirit! We will be hearing from excellent speakers on how the Spirit works in Scripture, prayer, spiritual warfare, baptism, and gifts.
