

Dear NU Family,

What a powerful movement of the Spirit we saw in our community these last few weeks through the Holy Spirit series in chapel! I pray that your understanding of the Spirit was deepened, and that you had a personal experience with Him in some way. Many people prayed on Friday to receive the baptism of the Holy Spirit, and I am still thanking God for doing this work in our community! We have 24 Hour Prayer happening in Butterfield Chapel right now, until 8PM tonight, if you'd like to continue joining our community in prayer.

Following 24 Hour Prayer, we will be having our much-anticipated Throwback Pursuit at 8:30PM in the chapel! I hope to see you there for a great time of worship.
