

Dear NU Family,

As we begin this last week of the school year, a simple truth is filling my heart with hope: God is faithful. I have seen God's faithfulness time and time again in our community this year. I have seen Him carrying His children through difficult times, revealing His salvation to souls who need Him, breaking the power of sin and darkness, literally saving lives in our community, and so much more. I relate to King David, who said, **"Many, LORD my God, are the wonders you have done, the things you planned for us. None can compare with you; were I to speak and tell of your deeds, they would be too many to declare"** (Psalm 40:5, NIV). I'm sure you have many more testimonies of what God has done. I am so grateful that we can expect Him to *continue* to show His goodness in our lives and community.
