

Dear NU Family,

I am still reflecting on the beautiful message Dr. Brodin left us with on Friday as she closed the Covenant series: Our God has established a covenant to fulfill all covenants with us! It is completely founded upon His faithfulness. Because of Jesus, we now live in a reality where “religion is grace and ethics are gratitude” (Thomas Erskine). What a joy!

We now head into our next series, Parables. We have an incredible line-up of faculty, staff, and guest speakers excited to their thoughts and reflections on the spiritual truths taught by Jesus.
