

Dear NU Family,

Welcome back from the long weekend! I pray that you are refreshed for the weeks ahead.

In Paul David Tripp’s *New Morning Mercies*, he states, “Corporate worship is designed to remind you of your identity in Christ so that you won’t waste your time looking for identity elsewhere. It’s so easy to be an *identity amnesiac*. It’s so easy to forget who you are in Christ and what you have been given as his child”.

It is a joy to look at the calendar of events below and see that there are many diverse and wonderful opportunities for our community to remind one another of our identity in Christ this week. I pray that the Lord would personally speak to your heart through these gatherings to tell you of His great love for you and of His wonderful purpose for your life.
