

# A Look Ahead

Volume 1, Issue 11  
April 1st, 2011

## Dear Friends,

As we quickly approach the end of the semester, I know the school load is full and can be overwhelming but I want to encourage you that you are almost done! There are only a few weeks left so push through and make the best of it.

Have an incredible weekend!  
Pastor Phil

### Deeper worship CD

Campus Ministries is excited to present the "Deeper" worship project that a team of our students has been working hard to put together. We will be holding a CD release concert on Monday, April 18th at 9pm in the Chapel. You don't want to miss it!

### Prayer

Our prayer list remains full but I am so encouraged to know that amidst every circumstance, God is still God; our comfort, our healer and our hope no matter how defeated we may feel by our situation. Please continue to pray for these needs as we believe in the power of God together.

### Social Justice

Congratulations on raising over \$4,100 this semester toward our efforts to stop human trafficking! You have no idea the ways in which you are helping rescue and restore trafficked victims. We have 2 opportunities left to give and just over \$1,900 to our goal so if we each commit to giving just \$5, we will have made our goal! Regardless of whether or not you feel inclined to give, please keep those that are affected by this in your prayers.

### Crew Leaders

Thank you to those of you who have led a crew this semester. I've heard only great things about them! As the semester comes to an end, please remember to upload attendance for your crew on Discovery before the end of April.

## Next week in Chapel

**Monday:** Professor, Connie Rice will be taking us through Colossians 3:15-17

**Pursuit** will begin at 9pm with our Summer Ministry Team, Crossing, leading us in a night of worship.

**Wednesday:** is a Crew Leader's chapel so **only Crew leader's** are required to attend. Enjoy this hour off!

**Friday:** We will hear from the senior speakers representing the Colleges of Arts and Sciences and Social and Behavioral Sciences.

---
