

# A Look Ahead

Dear Friends,

What a great week we've had together. I am amazed that we only have 3 weeks plus one week of finals to go. It is amazing! As you work hard to study and finish assignments, I am praying for God's strength over each of you. David said in Psalm 3:3 that God is my glory and the one who **holds my head high**. Don't be discouraged, the finish line is right around the corner!!
