

A Look Ahead

Volume 1, Issue 14
April 15th, 2011

Dear Friends,

Another week has quickly gone by! I know that this can be an overwhelming time with projects and papers piling up, but I pray that the pressures of school and work don't discourage you. "In our weakness, He is made strong." As you go about your studies, take a moment to pause and allow God to refuel you.

Have a great weekend!
Pastor Phil

Next week in Chapel

Monday: We are excited to have special guest and pastor from La Push, WA, George Kallappa with us. The "Deeper" CD release concert will be during **Pursuit at 9pm**. I hope to see you there!

Wednesday: Dr. Ron Herms will be taking us through our next portion of reading in Colossians 4:1-18

Friday: In honor of Good Friday, there will be no classes.

Deeper worship CD

We are really anticipating the release of the new "Deeper" CD at Pursuit on Monday! I had the chance to hear the CD and it is amazing! The concert will begin at 9pm in the chapel. This is a free event and open to anyone so I hope you choose to come out and support your peers!

Prayer

Attached is our weekly prayer list. As we continue to lift up these needs, I pray we remain hopeful in the fact that our God hears our prayers and will provide answers in His timing. Let's not give up on hoping for the best.

Social Justice

Today was our final opportunity to give in our Friday offering but many of you have asked why we aren't continuing offering on a different day during the next two weeks. In light of this, there will be two additional opportunities to give: next Wednesday and the following Monday in Chapel. Thank you for your faithfulness to this cause. It is changing lives!

Baptisms

If you are one of the students that was baptized at pursuit last week, please stop by the Campus Ministries office to pick up your Baptism certificate.
