

A Look Ahead

Volume 1, Issue 15
April 21st, 2011

Dear Friends,

As I look back at the last couple of months, I am encouraged by how great of a semester we've had together. I hope you feel the same! I know this next week may be overwhelming with finals coming up, but I pray you remain hopeful, knowing that you are so close to being done! Work hard and finish strong.

Happy Easter!

Deeper worship CD

Thank you for joining us for the "Deeper" CD release concert at Pursuit on Monday! We are very proud of each student that contributed to the project and thankful for your support to them. If you did not have the chance to attend the concert and would like to pick up a copy of the CD, they are available in the bookstore for \$5 until next Friday.

Student Ministry Board

we've just recently added another position to the Student Ministry Board in the area of Administration. If you are interested in applying for this position, you will need to act fast and pick up an application from the Campus Ministries office as they are due this coming Tuesday.

Prayer

Please continue to pray for those that are in need of an extra touch from the Lord. "Let us approach the throne of Grace with Confidence so that we may receive mercy and find grace to help us in our time of need." -Hebrews 4:16

Social Justice

I wanted to take a moment to say thank you for so faithfully giving toward our fight for Social Justice. Our total so far this semester is \$6045.67! We are only \$154.33 from our goal. Let's plan to have a big offering on Monday!

Convoy of Hope

For the past several years, we've partnered with *Convoy of Hope* to help aid the disasters around the world, most recently, in Japan. I have attached a letter from *Convoy of Hope* in regards to what we were able to raise for Japan. Please take a moment to read the letter.
