

Dear NU Family,

We are fast approaching November, and as you know, that means that we are a little over a week away from the presidential election. In this nation, we have the privilege of engaging in civil discourse and participating in the political process. I encourage those of you who are able to vote to value the opportunity, and I urge all of you to pray deeply. These words from 1 Timothy remind us how we ought to pray for our leaders and represent Christ in the midst of tumultuous times:

"I urge you, first of all, to pray for all people. Ask God to help them; intercede on their behalf, and give thanks for them. Pray this way for kings and all who are in authority so that we can live peaceful and quiet lives marked by godliness and dignity. This is good and pleases God our Savior, who wants everyone to be saved and to understand the truth...In every place of worship, I want men to pray with holy hands lifted up to God, free from anger and controversy." (1 Timothy 1:1-4, 8, NLT)
