

Dear NU Family,

There are many things in our nation and world that we are called to pray for this week. I encourage you to deeply invest in "seeking first the Kingdom of God and His righteousness" together. Here at NU, there are several events this week addressing our current cultural climate and our spiritual lives in response. Please consider attending!

I'd like to draw your attention to someone in our own community that we have the opportunity to support and bless. Taylor Cliett, pictured below with his wife Erika and his newborn daughter Ellie, is an alumni of Northwest. He is 26 years old, and is battling Nodular Melanoma, an aggressive form of cancer. His diagnosis is very serious, and his medical bills are quickly accruing. As his Northwest family, we want to help Taylor, Erika, and Ellie in any way that we can. Please read Taylor's story (attached) and consider donating to his GoFundMe. We will also have an opportunity to give to Taylor in our chapel services this Wednesday. 1 Corinthians 12:26 says that if one part [of the body of Christ] suffers, every part suffers with it. Our prayers and support are with the Clietts in this challenging time.
