Ok. Take them to the office of Sheila Josephson, or to library to be included in Ness file. Thanks bro. Terry

Hi Terry –

Sorry about the confusion today regarding your documents. I have them here with me at the church in Kenmore. Would you like me to put them in the mail to you? Catch you sometime when you are in the area? Carrier pigeon?

What is your pleasure?

By the way... I hope you agree that those turned out great. You have skills!

Blessings!
