

Dear Friends,

I hope you've had a fantastic and relaxing summer! I cannot believe we are already gearing up for another year but I am really looking forward to this being an incredible year together.

I first want to take a moment to welcome our new students. We are so glad you are able to with us and hope your experience here at NU is nothing short of incredible! As you heard from our NUMA and NUSG team's today, there are plenty of opportunities to get involved so I encourage you to jump right in!!

As a reminder, starting next week, we will move to exclusively scanning student ID cards in and out of Chapel. If you notice discrepancies in your Chapel attendance, please email ChapelAttendance@northwestu.edu. To review our policy, feel free to check out <http://www.northwestu.edu/numa/policy/>

Prayer and Scripture focus

Next week we will be handing out the Fall 2012 Prayer and Scripture Focus card! They will also be available in the Campus Ministries office. We've worked hard to come up with an effective and creative way to regularly pray for each other and our community throughout the semester so we hope you are able to use this bookmark as a reference tool.

Scripture

Next week's focus verse is from John 14:13. Please take a moment to read this short passage of scripture throughout next week and really evaluate what it means to you.

"And I will do whatever you ask in my name, so that the Father may be glorified in the Son." –John 14:13

Prayer

If you have prayer requests and praise reports, please send them to our prayer team at Prayer@northwestu.edu or by texting 425-486-4656. Attached is the prayer list from this week – take a minute to read over them and let's become a praying community.
