### 1986-87 District 1 Women's Basketball Playoff Format

The district playoffs will match the top four teams. The fourth-ranked team will play at the top-ranked team, the No. 3 at No. 2.

The winners will play a best-of-three series. The first game will be at the site of the lower-ranked team. The second and third games, if needed, will be the site of the highest-ranked team. Playoff sites are based on district standings, not finances.

Each team must play a minimum of 14 NAIA District 1 games against seven different opponents, if necessary to be designated by the District Executive Committee at the fall District meeting. District standings will be computed strictly on a percentage basis.

Tournament games will not count in the district standings.

The expenses of all first-round games will be paid by the teams involved, according to NAIA guidelines. Gate receipts will return to the district treasurer.

Final-round expenses will be paid by District 1, according to NAIA guidelines. Game expenses are not to exceed \$300 unless approved by the district Executive Committee. This amount does not include the cost of officials.

Revenue above expenses will be returned to the district treasurer. A list of officials will be compiled for the fall District meeting.

#### **TIE-BREAKERS**

1. Head-to-head competition
2. Results against teams higher in district standings
3. Refer to District Executive Committee

**District Playoffs:** First Round - Feb. 23  
Finals: Feb. 25, 27 & 28 (if needed)

**Bi-District Playoff:** March 4 (at District 2 winner)

**NAIA Nationals:** March 13-17 at Kansas City
