On behalf of the NCCAA and the Board of Directors, I welcome you to the 12th Annual NCCAA Women's Division II National Basketball Tournament.

This particular NCCAA championship event is rich in tradition and is among the 14 national championships in both men's and women's competition. We are pleased to serve 96 member institutions in the NCCAA.

Congratulations to each student-athlete and coach who is in this basketball championship. Your participation in this tournament certainly represents many weeks of dedicated time and work. I trust your participation in this tournament will be a very enriching and fulfilling experience.

My personal thanks to Kristi Brodin, women's basketball coach at Northwest College and NCCAA National Women's Basketball II Chair, for her excellent leadership in organizing and administering this fine event.

The NCCAA appreciates so very much the interest and support exhibited by the people of Kirkland and Northwest College to make this event a success.

One of the major goals of the NCCAA is to honor and glorify Christ through athletic competition. I am confident this tournament will provide a time of exciting competition and excellent sportsmanship.

Sincerely,

Barry R. May, Ph.D.  
Executive Director

Welcome to Kirkland, Washington, for the 1994 NCCAA Division II National Women's Basketball Tournament! It is a privilege to have the tournament here for the first time. Having enjoyed so much our visits at some of your schools in years past, we are eager to have you feel welcome in our college and community.

It is my desire and prayer that this weekend will be a positive experience giving you many lasting and treasured memories. Along with exciting basketball competition, the opportunities for Christian fellowship and friendships afforded by this tournament are truly blessings. I can assure you from experience that time spent sharing with one another will be worth it!

Congratulations to each of the eight teams who earned a place in this tournament. This week is the culmination of a season of hard work and success. Whatever the outcome of the games, may we be able to conclude the year confident that we have done our best and have sought to bring glory to God in all we do.

Very truly yours,

Kristi L. Brodin  
Tournament Director and National Chair  
NCCAA Division II Women's Basketball

## *NATIONAL CHRISTIAN COLLEGE ATHLETIC ASSOCIATION*

The NCCAA was incorporated in 1968 to provide a Christian-based organization that functions uniquely as a national and international agency for the promotion of ministry and outreach and for the maintenance, promotion and enhancement of intercollegiate athletic competition with a Christian perspective.

Ninety-six Christian colleges and universities comprise the NCCAA involving well over 10,000 student-athletes and 450 coaches. A combined total of 14 national championships in men's and women's sports is sponsored by the NCCAA.

The very existence of the NCCAA addresses the need for a unique plan to encourage Christian distinctives in the lives of young men and women in a day where the foundations of our society are being greatly challenged. The NCCAA wants to vigorously promote Christian ethics and purpose of life through athletics within the membership.

The NCCAA is committed to:

1. supporting coaches and their institutions in a plan that will impact the lives of student-athletes for Christ in the present as well as in the future.
2. challenging the student-athlete via district and national competition.
3. enabling student-athletes to participate in intercultural outreach ministries through missions.
4. expecting academic excellence.
5. encouraging Christians to be able to best serve family, school, church, and our world.
6. making a positive impact in developing the leaders of tomorrow.

Programs and services are developed by dedicated coaches, athletics directors, college presidents, the National Office staff, and the Board of Directors.

District and national competition is offered in both men's and women's sports. Tournament participants are encouraged to participate in local outreach ministries in those areas where the tournament competition takes place. International competition is being promoted with emphasis on ministry and missions.

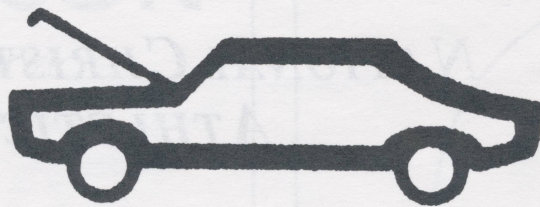

The NCCAA is a nonprofit organization whose financial support comes from donors who are excited about the educational, athletic and spiritual opportunities for young people at Christian colleges and universities. Young men and women are making life long decisions today about spiritual, social and family choices that are important to them and to those with whom they come in contact.

The NCCAA believes that students' lives are changed when given the opportunity to witness for Christ on summer mission trips. It is our desire to raise more funds in order to assist student-athletes in visiting other countries to witness for Jesus Christ. This experience will affect the lives of the students tremendously as well as impact the lives of those to whom they minister.

Member colleges are dedicated to providing quality education from a Biblical perspective. Christian young men and women are encouraged through the NCCAA to prepare for a life of meaningful work and service exemplifying Jesus Christ through Bible study and prayer.

The NCCAA believes that athletics are a means to an end and that the process is as important as the performance.

The National Office of the NCCAA is located in Marion, Indiana.
