

BAPTIST BIBLE COLLEGE,
CLARKS SUMMIT, PA

March 1993

Welcome to Baptist Bible College!

It is a real privilege for us to host the NCCAA Division II Women's Basketball Nationals this year. We trust you will enjoy your days with us.

We will be praying that the competition and spirit among the team members will be good and that the Lord will keep each player from injury. It would be great if you made some new friends during your days here, too.

I look forward to seeing some of the games and join with our Athletic Staff in welcoming you to our campus.

Great is His faithfulness,

Milo Thompson, D.D.
President

Welcome to Clarks Summit, Pennsylvania for the 1993 Women's Basketball National Tournament! We are excited to have the Division II Tournament back where the idea and groundwork for a women's division II began.

This also marks the culmination to a season characterized by hard work and a drive to do our best for our Lord. Congratulations to the eight teams representing the nation here this weekend. May you continue to press on in your pursuit of being your best for HIS honor.

Enjoy your weekend here at BBC. May it be one of good competition for everyone. Get to know the young women that comprise these teams. They are indeed special people with a heart for God.

Because of Him,

Sherrie L. Holloway

On behalf of the NCCAA and the Board of Directors, I welcome you to the 11th Annual NCCAA Women's Division II National Basketball Tournament.

This particular NCCAA championship event is rich in tradition and is among the 14 national tournaments in both men's and women's competition. We are pleased to serve 103 member institutions in the NCCAA.

Congratulations to each student-athlete and coach who is in this basketball championship. Your participation in this tournament certainly represents many weeks of dedicated time and work. I trust your participation in this tournament will be a very enriching and fulfilling experience.

My personal thanks to Sherrie Holloway, women's basketball coach at Baptist Bible College, for her excellent leadership in organizing and administering this fine event.

The NCCAA appreciates so very much the interest and support exhibited by the people of Clarks Summit and Baptist Bible College to make this event a success.

One of the major goals of the NCCAA is to honor and glorify Christ through athletic competition. I am confident this tournament will provide a time of exciting competition and excellent sportsmanship.

Sincerely,

Barry R. May, Ph.D.

NATIONAL CHRISTIAN COLLEGE ATHLETIC ASSOCIATION

The NCCAA was incorporated in 1968 to provide a Christian-based organization that functions uniquely as a national and international agency for the promotion of ministry and outreach and for the maintenance, promotion and enhancement of intercollegiate athletic competition with a Christian perspective.

Over 100 Christian colleges and universities comprise the NCCAA involving approximately 8,000 student-athletes and 500 coaches. A combined total of 14 national championships in men's and women's sports is sponsored by the NCCAA.

The very existence of the NCCAA addresses the need for a unique plan to encourage Christian distinctives in the lives of young men and women in a day where the foundations of our society are being greatly challenged. The NCCAA wants to vigorously promote Christian ethics and purpose of life through athletics within the membership.

The NCCAA is committed to:

1. supporting coaches and their institutions in a plan that will impact the lives of student-athletes for Christ in the present as well as in the future.
2. challenging the student-athlete via district and national competition.
3. enabling student-athletes to participate in intercultural outreach ministries through missions.
4. expecting academic excellence.
5. encouraging Christians to be able to best serve family, school, church, and our world.
6. making a positive impact in developing the leaders of tomorrow.

Programs and services are developed by dedicated coaches, athletic directors, college presidents, the National Office staff, and the Board of Directors.

District and national competition is offered in both men's and women's sports. Tournament participants are encouraged to participate in local outreach ministries in those areas where the tournament competition takes place. International competition is being promoted with emphasis on ministry and missions.

The NCCAA is a nonprofit organization whose financial support comes from donors who are excited about the educational, athletic and spiritual opportunities for young people at Christian colleges and universities. Young men and women are making life long decisions today about spiritual, social and family choices that are important to them and to those with whom they come in contact.

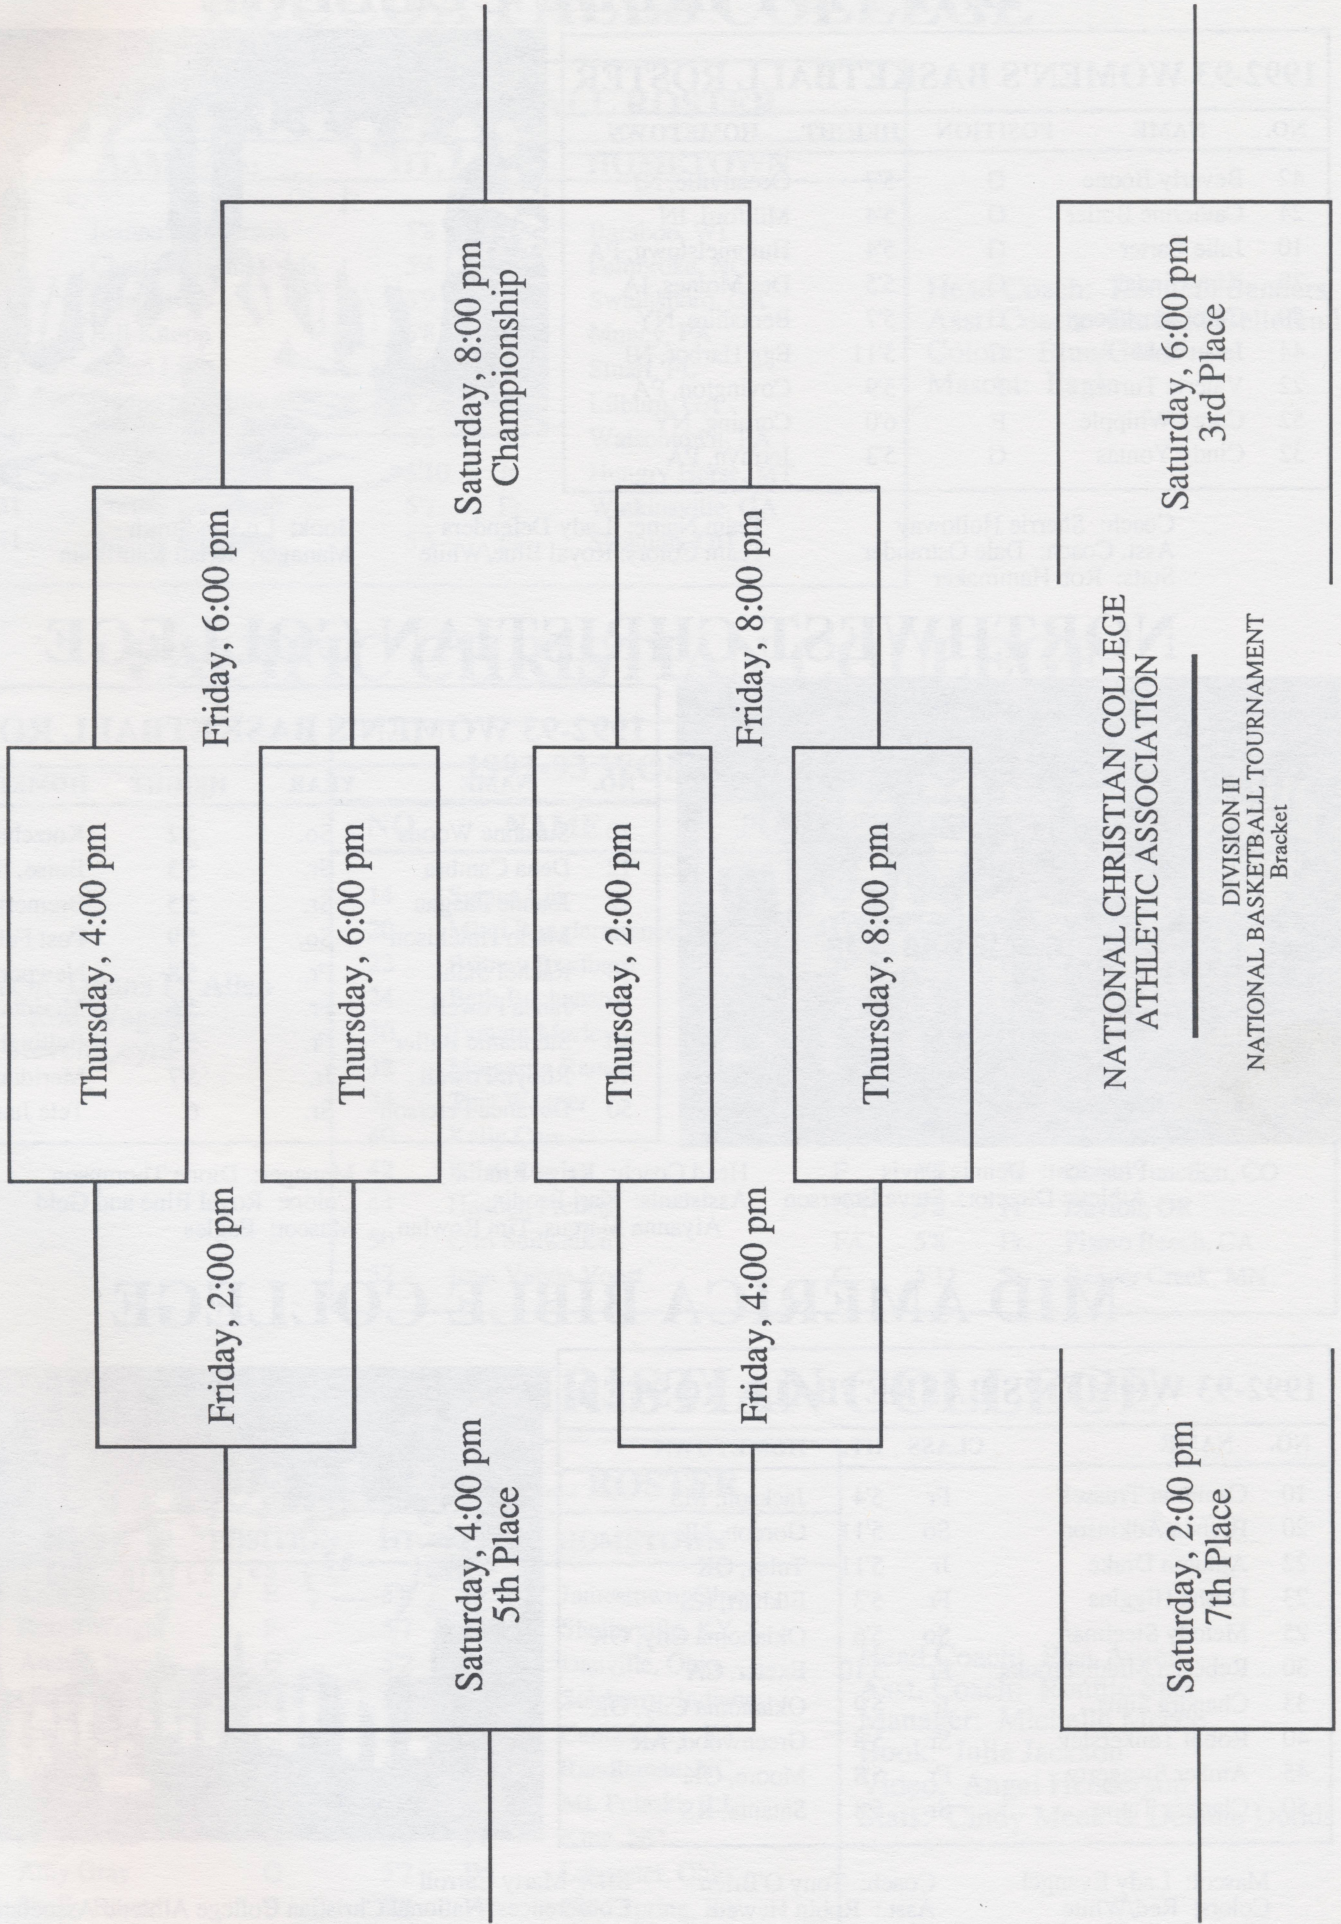

The NCCAA believes that students' lives are changed when given the opportunity to witness for Christ on summer mission trips. It is our desire to raise more funds in order to assist student-athletes in visiting other countries to witness for Jesus Christ. This experience will affect the lives of the students tremendously as well as impact the lives of those to whom they minister.

Member colleges are dedicated to providing quality education from a Biblical perspective. Christian young men and women are encouraged through the NCCAA to prepare for a life of meaningful work and service exemplifying Jesus Christ through Bible study and prayer.

The NCCAA believes that athletics are a means to an end and that the process is as important as the performance.

The National Office of the NCCAA is located in Marion, Indiana.
