On behalf of the NCCAA and the Board of Directors, I welcome you to the tenth annual NCCAA Division II Women's National Basketball Tournament.

This particular championship event is becoming rich in tradition. This tournament has proven to be a meaningful and significant experience for those student-athletes and coaches who have participated.

Congratulations to each student-athlete and coach who is in this basketball championship. Your participation in this tournament certainly represents many weeks of dedicated time and work. I trust your participation in this tournament will be a very enriching and fulfilling experience.

My personal thanks to Dr. Ralph Swearngin, the tournament director, and to Sherrie Holloway, the National Basketball Chair for Division II, for their excellent leadership in organizing and administering this fine event. The NCCAA appreciates so very much the interest and support exhibited by the people of Atlanta Christian College and the Atlanta area.

One of the major goals of the NCCAA is to honor and glorify Christ through athletic competition. I am confident that this tournament will provide a time of exciting competition and excellent sportsmanship.

Sincerely,

Dr. Bary May
Executive Director

Welcome to Atlanta on behalf of NCCAA Women's Basketball. This is our 9th Division II Championship Tournament and we are pleased to have all of you taking part in it.

Congratulations to each of the eight teams representing their respective schools from around the country. This tournament marks the culmination to your hard work and drive to do your best. May you continue to press on in your pursuit for His honor.

Enjoy your weekend. May it be one of good competition for all and may we strive to honor our great God.

Because of Him,

*Sherrie L. Holloway
National Chair
Women's Basketball - Div. II*

**WELCOME TO THE NCCAA
WOMEN'S NATIONAL BASKETBALL TOURNAMENT**

It is a great pleasure for me to welcome you to Atlanta for the NCCAA Women's National Basketball Tournament for a number of reasons.

First, I am thankful for the NCCAA and that for which it stands. Christian college athletics are important. It is wonderful to be able to host such a meaningful event as this tournament.

Secondly, it is an honor to be among champions such as the participants in this event--they are winners.

Finally, I thoroughly enjoy basketball. It is a great sport that celebrates God-given talent, health, teamwork, and numerous other wonderful attributes.

On behalf of the entire Atlanta Christian College community, let me say "We hope y'all have a good time", and may the best team win!

Yours in Christ,

Dr. James C. Donovan
President

NCCAA STATEMENT OF PURPOSE

The NCCAA was incorporated to provide a Christian-based organization that functions uniquely as a national and international agency for the maintenance, enhancement, and promotion of collegiate athletic competition in a Christian perspective.

NCCAA STATEMENT OF FUNCTION

The very existence of the National Christian College Athletic Association (NCCAA) speaks to the need of a different game plan for college athletics in the midst of an era when the very foundations of our society are being eroded morally. The NCCAA wants to step into the gap and become a vehicle for implementing morality and purpose of life through athletics in cooperation with member colleges and their student-athletes.

The NCCAA game plan is to assist colleges in producing winners in the "game of life." Its intent is to assist the colleges and coaches in producing a game plan that will influence the athlete immediately as well as for his/her entire life: a plan that will challenge the student-athlete through national competition; a plan that expects academic credibility; a plan of maximum development through assisting college coaches with leadership, programs, and materials; a plan that encourages a mature functioning body of Christians able to serve family, school, church, and society.

The NCCAA is unique in its purpose, its constituency, and hopefully its outcome. It is not who wins the game on the athletic field that really counts, but rather who wins that all-important game being fought in the lives of our nation's youth. The NCCAA makes a difference in developing the leaders of tomorrow.

The NCCAA game plan includes: dedicated and caring leadership, national competition (now including fourteen national tournaments in both men and women's sports), international outreach with athletic teams, discipleship programs and materials for student-athletes and coaches, and conferences on current key issues.

We believe:

That athletics are a means to an end; not the end in themselves.

That the process is as important as the performance.

That the person (athlete) is more important than the program.
