Prayer and Scripture Focus

If you have prayer requests and praise reports, please send them to our prayer team at Prayer@northwestu.edu or by texting 206-486-4656.

Next week's scripture focus is Ephesians 1:7

“In him we have redemption through his blood, the forgiveness of sins, in accordance with the riches of God's grace.”

“The Women's Cross Country and Track team has made it our top priority to glorify God and learn how to run and compete for Him and not ourselves. During our Life Group, we've been learning how to focus our hearts on Jesus, where we fall short as a team, and how we can shine God's light and love to others. Though we have had a successful last few months with lots of improvement, the highlight of our season had nothing to do with what times we ran. This last weekend was our conference meet where down in Portland, OR where ten minutes before the race, we asked all the other teams to pray with us before we ran. We were able to dedicate the race to God pray with every school in the conference for safety and to be able to run to our best abilities. We were truly amazed at everyone coming together as competitor's to give thanks to God. Running fast and fulfilling goals is great, but the things that we are going to remember about this season is the times like conference where God's power showed up and worked through our team.”
