

Dear Friends,

Good morning!! I have been thinking about what Lauryn Ernster, one of our senior speakers, challenged us with on Friday: we have the opportunity to worship God with our minds. The end of the semester can be overwhelming but I encourage you to push through and finish strong!!

"To the LORD I cry aloud, and he answers me from his holy hill. "Selah". I lie down and sleep; I wake again, because the LORD sustains me." Psalms 3:4-5

Also, we are a praying community - if you have a prayer request or praise report, feel free to text those to 206-486-4656. PUSH Prayer will be meeting tonight below the Chapel at 8:00PM to pray for the needs of our school and our community.

This Week in Chapel

Today: Pastor JoAnne Ramos, the missions pastor from The City Church, will be sharing a message titled, "The Invitation."

Wednesday: You are invited to hear Tom Cock, a knowledgeable speaker on the area of personal finance, come and give his perspective on financial planning for college students. Originally we were not planning to have a service this day, so there will be no worship set, but you are welcome to attend this lecture for chapel credit. All Life Group Leaders will still be getting together in HSC Fireside for their monthly meeting.

Friday: I will be sharing in Chapel and we will be taking communion together.

Pursuit | Tonight at 9PM

Tonight we have Bobby Walker and the UG Band from Puyallup Foursquare joining us for an all-worship Pursuit. You won't want to miss it!!

Missions 2013

May 28-June 11, nine NU students will be heading to Uganda to serve with NU alum, Lindsey Wessa, to minister and reach out to the villages outside of Kampala. Please be praying for this team as they unify their hearts, raise the funds, and head to Africa.
