

Dear Friends,

Thank you to everyone who made it out to our CD release party last week! We are hearing great feedback from this album, and pray that this worship experience extends beyond NU. If you still need to pick up your copy of "For You" they are available in the bookstore until next week for just \$5 or you can download a copy from iTunes or Google Play.

If you have a story or testimony from this year that you would like to share with Campus Ministries, please send it to us! We believe that huge things happened in lives this year and we want to celebrate that! Keep pressing on and enjoy these last few days!!

Scripture Focus of the Week:

"Then he said to his disciples, "The harvest is plentiful but the workers are few. ³⁸ Ask the Lord of the harvest, therefore, to send out workers into his harvest field." – Matthew 9:37-38

And remember that our prayer text number is always available for you to submit your requests to be prayed for by the prayer team and Campus Ministries staff – **206-486-4656**
